Harassment/Discrimination

DEFINITION

Harassment/Discrimination of employees is unlawful behavior based on the race, color, national origin, age, religion, sex, genetic information, ~~or~~ disability, or limitations related to pregnancy, childbirth, or related medical conditions of an employee involving intimidation by threats of or actual physical violence; the creation, by whatever means, of a climate of hostility or intimidation, or the use of language, conduct, or symbols in such manner as to be commonly understood to convey hatred or prejudice.

PROHIBITION

Harassment/Discrimination is prohibited at all times on school property and off school grounds during school-sponsored activities. This prohibition also applies to visitors to the school who may come into contact with employees and students. (Acts of harassment/discrimination based on sex may be committed by persons of the same or the opposite sex.)

District staff shall provide for a prompt and equitable resolution of complaints concerning harassment/discrimination.

DISCIPLINARY ACTION

Employees who engage in harassment/discrimination of another employee or a student on the basis of any of the areas mentioned above shall be subject to disciplinary action including but not limited to termination of employment.

GUIDELINES

Employees who believe they or any other employee, student, or visitor is being or has been subjected to harassment/discrimination shall, as soon as reasonably practicable, report it. In each school building, the Principal is the person responsible for receiving reports of harassment/discrimination at the building level. Otherwise, reports of harassment/discrimination may be made directly to the Superintendent. If an employee is not assigned to a particular school, a report of harassment/discrimination may be made to the employee's immediate supervisor or to the Superintendent. Additionally, if sexual discrimination or harassment is being alleged, reports may be made directly to the District Title IX Coordinator. Complaints of harassment/discrimination, whether verbal or written, shall lead to a documented investigation.

In applicable cases, employees must report harassment/discrimination to appropriate law enforcement authorities in accordance with law.¹

Harassment/Discrimination**GUIDELINES (CONTINUED)**

The Superintendent shall provide for the following:

1. Investigation of allegations of harassment/discrimination to commence as soon as circumstances allow, but not later than three (3) working days of receipt of the original complaint. A written report of all findings of the investigation shall be completed within thirty (30) calendar days, unless additional time is necessary due to the matter being investigated by a law enforcement or governmental agency.

The Superintendent/designee may take interim measures to protect complainants during the investigation.

2. A process to identify and implement, within ten (10) working days of the submission of the written investigative report, methods to correct and prevent reoccurrence of the harassment/discrimination. If corrective action is not required, an explanation shall be included in the report.
3. A process to be developed and implemented to communicate requirements of this policy to all staff, which may include, but not be limited to the following:
 - written notice provided in publications such as handbooks, staff memoranda, and/or pamphlets;
 - postings in the same location as are documents that must be posted according to state/federal law; and/or
 - such other measures as determined by the Superintendent/designee.

Method(s) used shall provide a summary of this policy, along with information concerning how individuals can access the District's complete policy.

4. Annual training explaining prohibited behaviors and the necessity for prompt reporting of alleged harassment/discrimination; and
5. Development of alternate methods of filing complaints for individuals with disabilities and others who may need accommodation.

PROHIBITED CONDUCT

Depending on the circumstances and facts of the situation, and within the definition of harassment/discrimination contained in this policy, examples of conduct and/or actions that could be considered a violation of this policy include, but are not limited to:

1. Any nicknames, slurs, stories, jokes, written materials or pictures that are lewd, vulgar, or profane and relate to any of the protected categories listed in the definition of harassment/discrimination contained in this policy;
2. Unwanted touching, sexual advances, requests for sexual favors, and spreading sexual rumors;
3. Instances involving sexual violence;
4. Causing an employee to believe that he or she must submit to unwelcome sexual conduct in order to maintain employment or that a personnel decision will be based on whether or not the employee submits to unwelcome sexual conduct;

Harassment/Discrimination**PROHIBITED CONDUCT (CONTINUED)**

5. Implied or overt threats of physical violence or acts of aggression or assault based on any of the protected categories;
6. Seeking to involve individuals with disabilities in antisocial, dangerous or criminal activity where they, because of the disability, are unable to comprehend fully or consent to the activity; and
7. Destroying or damaging an individual's property based on any of the protected categories.

CONFIDENTIALITY

District employees involved in the investigation of complaints shall respect, as much as possible, the privacy and anonymity of all parties involved.

APPEAL

Upon the completion of the investigation and correction of the conditions leading to the harassment/discrimination, any party may appeal in writing any part of the findings and corrective actions to the Superintendent.

If a supervisory staff member is an alleged party in the harassment/discrimination complaint, provision shall be made for addressing the complaint to a higher level of authority.

Failure by employees to report, notify, and/or initiate an investigation of alleged harassment/discrimination as required by this policy or to take corrective action shall be cause for disciplinary action.

RETALIATION PROHIBITED

No one shall retaliate against an employee or student because s/he submits a grievance, assists or participates in an investigation, proceeding, or hearing regarding the charge of harassment/discrimination of an individual or because s/he has opposed language or conduct that violates this policy.

Upon the resolution of allegations, the Superintendent shall take steps to protect employees and students against retaliation.

PROHIBITION

Harassment/Discrimination is prohibited at all times on school property and off school grounds during school-sponsored activities. This prohibition also applies to visitors to the school who may come into contact with employees and students. (Acts of harassment/discrimination based on sex may be committed by persons of the same or the opposite sex.)

District staff shall provide for a prompt and equitable resolution of complaints concerning harassment/discrimination.

DISCIPLINARY ACTION

Employees who engage in harassment/discrimination of another employee or a student on the basis any of the areas mentioned above shall be subject to disciplinary action including but not limited to termination of employment.

GUIDELINES

Employees who believe they have been a victim of an act of harassment/discrimination or who have observed incidents involving students or other employees that they believe to be an act of harassment/discrimination shall, as soon as reasonably practicable, report it. In each school building, the Principal is the person responsible for receiving reports of harassment/discrimination at the building level. Otherwise, reports of harassment/discrimination may be made directly to the Superintendent. If an employee is not assigned to a particular school, a report of harassment/discrimination may be made to the employee's immediate supervisor or to the Superintendent. Additionally, if sexual discrimination or harassment is being alleged, reports may be made directly to the District Title IX Coordinator. Complaints of harassment/discrimination, whether verbal or written, shall lead to a documented investigation.

The Superintendent shall provide for the following:

1. Investigation of allegations of harassment/discrimination to commence as soon as circumstances allow, but not later than three (3) working days of receipt of the original complaint. A written report of all findings of the investigation shall be completed within thirty (30) calendar days, unless additional time is necessary due to the matter being investigated by a law enforcement or governmental agency.

The Superintendent/designee may take interim measures to protect complainants during the investigation.

Harassment/Discrimination**GUIDELINES (CONTINUED)**

2. A process to identify and employ, within ten (10) working days of the submission of the written investigative report, methods to correct and prevent reoccurrence of the harassment/discrimination. If corrective action is not required, an explanation shall be included in the report.
3. A process to be developed and implemented to communicate requirements of this policy to all staff, which may include, but not be limited to, the following:
 - written notice provided in publications such as handbooks, staff memoranda, and/or pamphlets;
 - postings in the same location as are documents that must be posted according to state/federal law; and/or
 - such other measures as determined by the Superintendent/designee.

Method(s) used shall provide a summary of this policy, along with information concerning how individuals can access the District's complete policy.

4. Annual training explaining prohibited behaviors and the necessity for prompt reporting of alleged harassment/discrimination; and
5. Development of alternate methods of filing complaints for individuals with disabilities and others who may need accommodation.

PROHIBITED CONDUCT

Depending on the circumstances and facts of the situation, and within the definition of harassment/discrimination contained in this policy conduct and/or actions that could be considered a violation of this policy include but are not limited to:

1. Any nicknames, slurs, stories, jokes, written materials or pictures that are lewd, vulgar, or profane and relate to any of the protected categories listed in the definition of harassment/discrimination contained in this policy;
2. Unwanted touching, sexual advances, requests for sexual favors and spreading sexual rumors;
3. Causing an employee to believe that he or she must submit to unwelcome sexual conduct in order to maintain employment or that a personnel decision will be based on whether or not the employee submits to unwelcome sexual conduct;
4. Implied or overt threats of physical violence or acts of aggression or assault based on any of the protected categories;
5. Seeking to involve individuals with disabilities in antisocial, dangerous or criminal activity where they, because of disability, are unable to comprehend fully or consent to the activity; and

CONFIDENTIALITY

District employees involved in the investigation of complaints shall respect, as much as possible, the privacy and anonymity of all parties involved.

Harassment/Discrimination**APPEAL**

Upon the completion of the investigation and correction of the conditions leading to the harassment/discrimination, any party may appeal in writing any part of the findings and corrective actions to the Superintendent.

If a supervisory staff member is an alleged party in the harassment/discrimination complaint, provision shall be made for addressing the complaint to a higher level of authority.

Failure by an employee, immediate supervisor, Principal, and/or Superintendent to report, notify, and/or initiate an investigation of alleged harassment/discrimination as required by this policy, or to take corrective action shall be cause for disciplinary action.

RETALIATION PROHIBITED

No one shall retaliate against an employee or student because s/he files a written grievance, assists or participates in an investigation, proceeding, or hearing regarding the charge of harassment/discrimination of an individual or because s/he has opposed language or conduct that violates this policy. Upon the resolution of allegations, the Superintendent shall take steps to protect employees and students against retaliation.

Other Claims

When a complaint is received that does not appear to be covered by this policy, administrators shall review other policies that may govern the allegations, including but not limited to, 03.212, 03.2325 and/or 09.422.

~~Any Kenton County High School may substitute an integrated, applied, interdisciplinary or higher level course for any of the required courses if the alternative course provides rigorous content and addresses the same applicable components of 703 KAR 4:060. If a substitution is made, the high school must provide the Board a written rationale and course description to be filed at the Board Office and with the Kentucky Department of Education.~~

The Board-approved Student Handbook/Course Description for each high school should contain complete details of all courses offered.

PERFORMANCE-BASED CREDITS

In addition to Carnegie units, students may earn credit toward high school graduation through the District's standards-based, performance-based credit system that complies with requirements of Kentucky Administrative Regulation. Procedures for the developing and amending the system shall address the following:

1. Conditions under which high school credit will be granted under the system that allow students to demonstrate proficiency and earn credit for learning acquired outside the normal classroom setting, outside of school, or in prior learning;

Performance-based credit may be earned while the student is still "in school," but the instructional setting will look different from a traditional "seat time" environment.

2. Performance descriptors and their linkages to State content standards and academic ~~standard~~ expectations;

At the high school level, performance descriptors and evaluation procedures shall be established to determine if the content and performance standards have been met.

3. Assessments and the extent to which state-mandated assessments will be used;
4. An objective grading and reporting process; and
5. Criteria to promote and support school and community learning experiences, such as internships and cooperative learning, in support of a student's ~~ILP~~ individual learning plan. Such experiences shall be supervised by qualified instructors and aligned with State and District content and performance standards.

The Board requires enrollment for eight (8) semesters or the equivalent for all high school students. (For an exception, see section Early Graduation Certificate.)

ALTERNATIVE HIGH SCHOOL DIPLOMA

Students eligible for an Alternative High School Diploma will participate in graduation ceremonies during the same school year in which they complete their program or reach twenty-one (21) years of age.

Graduation Requirements**PARTICIPATION IN GRADUATION EXERCISES**

No student shall be permitted to participate in graduation ceremonies until all graduation requirements have been fulfilled, as determined by the Principal.

KENTON COUNTY BASIC DIPLOMA

~~In Kenton County, it is expected that all students will be enrolled for eight (8) semesters of high school. This expectation will also apply for Basic Diploma students. Enrollment may include one (1) or a combination of the following: regular classroom instruction, alternative classroom instruction, on-line credit recovery or cooperative work experience placements. Exceptions to the eight (8) semester rule will only be considered if the class with which he/she entered public school has graduated.~~

~~As noted above, a student must meet or exceed all credits in the prescribed domains and meet or exceed all SBDM requirements to be granted a traditional Diploma from one of the high schools in Kenton County. While it is anticipated that all students will meet this standard, the Board recognizes there may be extenuating circumstances that prevent some students from successfully completing all the standards. In an effort to meet the needs of the total student population, students meeting the following criteria may apply for a Kenton County Basic High School Diploma that meets the State minimum requirements as set forth in 704 KAR 3:305 and described above:~~

- ~~0. Receive their Principal's recommendation for participation in the program~~
- ~~0. Review all SWS/Alternative School options~~
- ~~0. Enrolled in a Kenton County high school for two (2) semesters~~

Individual students with extenuating circumstances and who meet the minimum state graduation requirements and local guidelines may qualify for such a diploma.~~

~~A student who is at least seventeen (17) years of age and who is a state agency child, as defined in KRS 158.135, shall be eligible to seek attainment of a High School Equivalency Diploma.~~

Graduation Requirements

ALIGNMENT OF GRADUATION REQUIREMENTS WITH GOALS AND EXPECTATIONS

The council shall determine the process for developing the descriptions, which shall be presented for Board review and comment.

OTHER PROVISIONS

Upon request and approval of the Board, District high schools may offer different diploma programs.

The Board, Superintendent, Principal, or teacher may award special recognition to students. In addition, the Board may award a diploma to a student posthumously indicating graduation with the class with which the student was expected to graduate.

In addition, former students may submit to the Superintendent a request that the District provide them with an alternative high school diploma to replace the certificate of attainment they received at time of graduation from the District.³

A student who is at least seventeen (17) years of age and who is a state agency child, as defined in KRS 158.135, shall be eligible to seek attainment of a High School Equivalency Diploma.

Otherwise, the District shall ensure receipt of a diploma from the sending school district if the student completed graduation requirements of that district.

Exit exam scores from sending schools shall be accepted in accordance with the Interstate Commission Compact.

GUIDING PRINCIPLES OF COMPREHENSIVE THREAT ASSESSMENT PLANNING

The District School Safety Coordinator, members of threat assessment teams, and other appropriate District administrators and staff, shall give appropriate consideration to the following non-exhaustive list of general principles as threat assessment teams are established and as they plan for and conduct their work;

Formatted: ksba normal, Not Small caps

1. A threat assessment process best functions as one component of overall school safety, in conjunction with physical school security and emergency management.
2. Students may engage in a continuum of concerning behaviors, the vast majority of which will be non-threatening and non-violent, but may still call for some type of response.
3. Students should feel empowered to communicate their own concerns to appropriate school staff without fear of reprisal. Incoming reports regarding concerning behavior or statements presenting a threat to school safety and school security should be given due consideration and assessed.
4. The goal of a threat assessment process is to identify, assess, and respond to potential threats to school safety and school security. The process begins with establishing a comprehensive plan for schools to:
 - a. Identify students or situations of concern;
 - b. Gather additional relevant information in a lawful manner;
 - c. Assess the student or situation risk, in context based on the totality of the information available; and
 - d. Identify and implement or recommend appropriate response strategies to address the concern.
