Vivian, although I do not have Principal's signatures on the form, I have secured support for the project from Mr. Spalding and Mr. Beck. I thought I would send you copies of these e-mails in case we needed to include them for the Board packet.

Thanks for all your help.

Subject: Beerea Mountain Folk Festival

I am in the process of submitting a request for overnight field trip for about 10 students, total between Bloomfield Elementary, Bloomfield Middle, and Nelson County High School to attend and participate in the Berea Mountain Folk Festival March 19 and 20.

I know I am going to need the endorsement of at least one principal for this form. We have had a group going to this Festival for the past eight or nine years. Lauren Jones, formerly at Chaplin, Bloomfield Middle, and now at NCHS, has been going to the Festival all but two of those years. This will be the third or fourth year for most of the other participants.

This trip requires nothing of the district or schools except that the students be considered on a field trip for attendance purposes. Parents provide transportation, supervision, and cover the expenses. I will serve as their certified employee chaperone.

If you would support this trip, would you mind to send me an e-mail to that effect and I will forward the e-mail to Vivian to include in the package for the Board meeting next week.

I appreciate any help you are willing to provide.
