Address:	3200 East Hebron Lane
City:	Shepherdsville
State:	KY

Destination

Name:	Supplies Overseas (SOS) Warehouse
Address:	1500 Arlington Avenue
City:	Louisville
State:	KY

Lesson Plans

Allied Health and HOSA students will have the opportunity to participate in a work based learning environment. They will be taking a guided tour of the largest recovery and redistribution center of medical supplies in the region. This tour will educate them on global healthcare needs as well as local healthcare needs. They will discuss the history of the SOS foundation and how it promotes environmental stewardship and aids in humanitarian causes globally. After the tour, they will participate in a volunteer hands on "sorting" activity where they will sort medical equipment and supplies received by SOS from regional hospitals and clinics. They will sort equipment into categories which will reinforce and teach the students information related to Medical Terminology and Body Systems, medical equipment identification, and Healthcare systems - all of which meets various standards in each class within the Allied Health Pathway as well as fulfilling CTSO requirements.
