Re: February 28th Board of Education Meeting Recognition: All-State Band and Choir Students

Last week we recognized our student musicians that have been selected for the All-State Band and Choir Ensembles; however, we had two students that weren't able to attend to be recognized, so we'd like to recognize them tonight. These students came together with students from across the state at the Kentucky Music Educators Conference to make music together during the first week of February at the Kentucky Performing Arts Center in Louisville.

For our choir students, there were over 1,000 students from across the state that participated in the all-state choir auditions, and BCPS had 6 students selected to join the state-level choir based on their musical skills and performance.

#### **Bullitt Central High School**

Elijah Medsker, Choir

Band students also had the opportunity to audition to join the All-State Instrumental Ensembles. These students participated in a two-round audition process with over 1,000 students competing for placement in the All-State Bands and Orchestra.
