Re: February 28th Board of Education Meeting Recognition: District Teacher of the Year

At our January meeting we recognized our School-Level Teachers of the Year. All of those teachers were invited to apply for the district-level honor for their grade band - elementary, middle, or high. A scoring committee of 10 individuals reviewed and rated the applications and have selected the following staff as our district teachers of the year!

Elementary District Teacher of the Year:

Gina Weber

Middle School District Teacher of the Year:

Ashley Schell

High School Teacher of the Year:

Dana Murphy
