City:	Mt.Washington
State:	KY

Destination

Name:	BizTown
Address:	1401 W Muhammad Ali Blvd
City:	Louisville
State:	KY

Lesson Plans

Students will participate in solely running a business in a real world situation for a complete day. The entire operating staff will consist of students collaborating within the entire fifth grade. Each business will have a service and item they will have for sale. Each student within the individual businesses will be responsible for a part of the running of the business just as if in a real world situation. Their expectation is for each business to show a profit at the end of the day. There are 15 businesses within the BizTown city itself. Students will be paid for their work throughout the day. They will be required to make deposit at the bank. They will have to maintain a check register to balance their checking account. Students must have a positive balance at the end of the day.
