Exceptional Children's Report

Arts for All Kentucky is a non-profit organization that promotes arts, education and creative expression for all. The Student Traveling Art Exhibit, "A Matter of Perspective" is an annual exhibit comprised of original artwork created by students with disabilities from across the Commonwealth. This year the artwork of two students from Newport High School has been selected to be part of the traveling exhibit. Lacyann Howard and Ivan Tafolla's artwork will be on display at various hospitals, community libraries, and The Kentucky State Capitol. The traveling exhibit was showcased at the Council of Exceptional Conference in Louisville, KY and is scheduled to be on display at LRP's National Institute at the Kentucky International Convention Center in Louisville, KY on April 24-27 2022. Lacyann and Ivan are thrilled that their friends and family will get to see their work. The art exhibit will be on display at Newport High School Library, 900 East 6th Street, from Feb. 17 to Feb. 25, 2022.
