SUBJECT: Donations for Prizes

National School Breakfast Week is scheduled for the week of March 8th through March 12th of this year. We would like permission to accept donations from local business to give away as prizes during that week.

We will have an enhanced breakfast menu each day and are encouraging all students to participate in the activities during the week. I would also like to take the opportunity to invite you to eat breakfast with us, at the school of your choice.

As always, thank you for the support that you show to our students and especially to our Food Service Department. It is a pleasure to work with you.
