RE: \$10,000 donation to football program

To whom it may concern:

First Southern National Bank is donating \$10,000 to Garrard County Schools for the purpose of the football program purchasing new weightlifting equipment. First Southern National Bank will provide a check for \$5,000 in March of 2022 and another check for \$5,000 in March of 2023. In exchange for this donation, we would like the following:

- Banner with FSNB logo in fieldhouse stating the equipment was provided by FSNB
- Banner/sign at the football field
- Facebook post on the Golden Lions Facebook page once equipment is delivered and setup. One FSNB representative and football coach to be included in the picture.

First Southern National Bank is excited about this opportunity to help the student-athletes of Garrard County for many years to come!

Please contact me if you have any questions.

Respectfully,

David Grigson | Community President
