Work with Gallatin County Champions to develop community driven approach to help with the drug and alcohol program in our community. The YSC will help plan yearly outreach events, attend local festivals to hand out information and talk to the community about available resources.	To develop strategies to not only help students but also our community with the drug and alcohol problems. (July '22-June '24)	YSC Gallatin County Champions

The YSC will manage the Gallatin County Psychological Services Clinic. The clinic is run by YSC staff in coordination with the University of the Cumberlands. Number of students seen will be measured by session logs.	The YSC will work with the University of the Cumberlands to continue the collaboration for free psychological services for our students. With these services we will be able to help students with substance abuse issues. b.) We will also work together to find funding opportunities in the future. (August '22-June '24)	YSC University of the Cumberlands
