Dear Members of the Board,

For the upcoming E-Rate funding year 2022, I have submitted multiple Form 470 bid requests for E-Rate eligible services on behalf of Henderson County Schools. The E-Rate program provides discounted funding for ongoing network infrastructure upgrades of 85-90% on hardware and services that are required to provide internet capability within our schools.

Attached are the recommended bid contracts for those requests. I respectfully request that the Board approves the attached bid contracts for Category 1 and Category 2 E-Rate eligible services pursuant to USAC and the Federal E-Rate program.

Respectfully submitted,
