Re: Closure of TAPP Program at ROC

Presented is the Notice of Permanent Closure for signature to be sent to Frankfort upon approval by the Board of Education.

Due to the decrease in enrollment from previous years, the teacher taking another position in the district, and the non-renewal of the Nurse Grant, it is necessary to close the Teenage Parenting Program (TAPP) that is housed at the Riverview Opportunity Center.

The program was a much needed program for the time and provided young parents with an abundance of support. More resources are available to families now and we look forward to putting the space to use for other programs and opportunities for students to serve current needs.
