PATTIE EMBRY
Estill Springs Kitchen Manager

Pattie began working for the Estill County Schools in 2005 as a sub cook. She was hired full time in 2007 at the middle school and remained there until she began her work as a kitchen manager at Estill Springs in 2021.

Pattie says loves her job and couldn't imagine doing anything else. She feels very lucky to have a job where she gets love poured out on her everyday by the kids because they tell the "cookers" how beautiful they are and how much they love their food. Pattie says she is so thankful to be the Mountain Mover but her girls move mountains everyday and she could do it without them.
