Backstreet Grub is a local restaurant owned and operated by Aaron Abney and family. The Abney family moved back to Estill County from McCallister Oklahoma in 2018. In McCallister, Aaron started the Ice House Youth Project and was the City of McCallister's Business Board Youth Representative.

Always having the entrepreneurial spirit, Aaron opened BackStreet Grub. The Abney family said it is good to be home and we just wanted to give back. They do so by sponsoring our Mountain Mover program along with, Estill athletic teams and tournament sponsorships, flood victim relief and supplies, First Responders recognition programs, Food bank sponsor, donated student school supply drives, supporter of the Estill Animal Shelter. They also host community events such as; Christmas in July, Community Halloween Block Party, Small Business Saturday, Character days with toy give a way for children and so much more.
