

Proposal Form

The Board of Education reserves the right to award multiple contracts to different contractors for different locations based on the lowest responsive and responsible bids received for a school; this fact should be taken into consideration by each Contractor. The decision to award multiple contracts, award only one contract, or to make no awards rests solely with the Board of Education.

Base bid contract price shall be for 30 mowing's per location. Schedule of mowing may be altered per the District's request or as required by climatic conditions.
