

***Garrard County Schools and Whole Latte Love Teacher of the Month
March***

Mrs. Garner is GMS' STEM teacher extraordinaire. She also works with the STLP program and with students to produce the GMS daily news, update the website, and work on technology related problems. One student says that Mrs. Garner comes in every day with a smile on her face and a funny story to share. She is encouraging and supportive. If you ever feel like you need to talk to someone about a problem, she will always be there for you. She is an awesome kind-hearted person who can be there whenever you need. Mrs. Garner makes huge impacts on our students each day and we are so lucky to have her as a part of our GMS family.
