

Garrard County Schools and Farmers National Bank Student of the Month

CDR – Bennett Wilkerson – Kindergarten

Kindergarten is such a fun and exciting time in a child's school career, and Bennett Wilkerson has certainly made the most of his Kindergarten experience this year. He is blossoming into an exceptional student and a wonderful friend! No matter the task, Bennett gives everything he does his best effort and always finds ways to help others and be a friend. We couldn't be more proud of the work he puts in each day and can't wait to see what all he accomplishes as he continues to grow and learn! Bennett is a joy to all who know him and a blessing to our Kindergarten classroom. Congratulations, Bennett!

LES – Kingston Gooch – 2nd Grade

Ms. Sewell says this about Kingston: he is a model student in our classroom; he works hard, follows directions well, and loves to read. In the past year, all of us who have worked with him have seen him grow and learn more every day. His growth in reading sight words and grade level words show that his love of reading is cultivating a love of learning. His learning is growing in not just reading, but math and socially as well. We are grateful to be able to work with him as he grows into an exceptional student.

PLES – Anthony Gillum –

Anthony is such a hard worker and always does his best. He has made great progress this year. He is also the first one to help a friend when they need something and is a great friend. He comes in with a smile each day and has a fantastic attitude. We are so lucky to have him in our class!

GMS – Claire Weaver – 7th Grade

Claire is very respectful to all her peers and teachers. She is always participating in class by answering questions, turning in all her assignments on time, and doing her part when working in groups. I always enjoy hearing her insight. Additionally, she always tries her very best at everything she does. She's incredibly hard-working, thoughtful, and kind. Claire is a pleasure to have in class!

GCHS – Brooklyn Moore – 11th Grade

Brook is a very dedicated student at GCHS. She is always smiling, full of optimism, and always helpful. Brook has proudly played in the GCHS band for three years. She gives her very best in everything she does, and hopefully will write a book one day titled, “How to Never Have an Argument with your High School Boyfriend”. She represents all the qualities of a Golden Lion.
