Introduced by the University of Pikeville in 2014, the Patton College of Education was named in recognition of Kentucky's 59th Governor, Paul E. Patton. During his tenure, Patton was known as a national leader, particularly in education policy. He proposed and championed Kentucky's Higher Education Reform Act in 1997 and made substantial improvements in preschool and adult education programs. He served as the University of Pikeville's 19th president from 2010 to 2013, and is currently chancellor.

My professors have been outstanding. They go above and beyond to make our classes meaningful and enjoyable, but most of all, everything I have done in the program directly correlates with what is being done in my classroom.

Kayla Sandlin
Kindergarten Teacher
at Roy G. Eversole
Elementary School

This program has been the most beneficial education I have ever received to enhance my teaching career.

Meranda Neace
Sixth Grade
Reading/Social
Studies Teacher
at East Perry
