**Date:** March 15, 2022

**Consent Agenda Item (Action Item):** Consider/Approve authorizing the surplus of damaged and end of life desks and chairs at schools.

**Applicable State or Regulations:** BOE Policy 01.11, 04.7, 04.8

**Budget/Financial Issues:** None

**Background:** The district has received ESSER fund to expand and/or replace desks and chairs due to COVID-19. We are asking that school that have desks and chairs that are damaged or reached their end of life be surplused.

We recommend that schools be allowed to give any surplus items that are useable to students that may need a desk or chair for home use during virtual instruction. We would also like to give to other state agencies or churches and senior centers. Preliminary findings from maintenance staff conclude that the collection, transporting, storage, and advertising cost would exceed the financial return of bidding out the sale of the surplused items. See attached KRS and legal interpretation by board attorney Jonathan Shaw.

**Recommended Action:** Approve as recommended

**Contact Person(s):** Linda Hackworth, Chief Maintenance Officer
