Henderson County School Board,

I would like to take the time to thank you for granting my request for an educational leave of absence this school year. I have had the opportunity to learn so much in the Family Nurse Practitioner Program (FNPP) at Morehead State. I will continue in the program the 2022-2023 school year. Please accept this letter as my request to extend the educational leave of absence an additional year. I appreciate your consideration to assist me in my own educational journey.

Thank you,

Ashley Bruner-Bailey
