Re: Lau Plan & Continuation of Learning Plan

The Lau Plan & Continuation of Learning Plan are the last two components of the district improvement planning process.

The Lau Plan is a requirement of Title VI of the Civil Rights Act of 1964 and the Equal Educational Opportunities Act of 1974 that provides in detail how the district provides services to English learner (EL) students in order for these students to have equitable access to educational, co-curricular, and extracurricular experiences and opportunities.

The Continuation of Learning Plan is our district plan for implementing non-traditional instruction to provide a continuation of learning during times (both short-term and long-term) when in-person instruction may not be feasible to ensure there is no loss of learning.
