SUMMARY OF PRESENTATION:

The board members will hear a presentation from Chief Performance Officer Karen Dodd and Brooke Gill from the Prichard Committee about the work going on to promote and recognize schools that achieve the Family Friendly School Certification. The Kentucky Family and School Partnership School Self-Assessment and Certification program, created by the KY Collaborative for Families and Schools, provides a comprehensive measure of a school’s strengths and opportunities for building two-way relationships with families. Schools that have developed and implemented an intentional and aligned family engagement plan receive a Level 3 score and are eligible for “Family Friendly School Certification.”
