Dr. Glass,

The Mercer County Board of Education voted on March 17, 2022 to request a waiver to allow the use of restricted funds to help fund discretionary projects on the District Facilities Plan that is up for approval at the April Kentucky Board of Education meeting.

202426 – Motion Passed - 10.I. KBE Waiver for Restricted Funds

Permission is being sought to request a waiver from the Kentucky Board of Education to utilize restricted construction funds for all discretionary construction projects that do not automatically qualify for the use of these funds.

Thank you for your support.
