**Re: Waiver Request to Allow for Volleyball Inserts in the Gym Floors
Christian Co. - New Consolidated High School
Design Development Review - Response
BG 22-104**

Dear John:

We are writing on behalf of the Christian County School District to petition a waiver in accordance with 702 KAR 4:170, Part b, waivers:

Volleyball Inserts

The Christian County Board of Education has approved Design Development plans for the above referenced project, based on a program that was achieved through multiple meetings with school district personnel. Based on the requests of the Athletic Director and the physical education staff, volleyball courts with inserts for nets have been indicated on our plans. The proposed volleyball net inserts will be flush to the floor and provided with cover plates so as not to present a tripping hazard.

Thank you,

Eric Rang, AIA
