We are asking for permission to accept donations for our senior account. We would be using these donations to help us pay for end of the year activities for our current senior class. We will be having Senior breakfast, senior lunches and snacks, etc available for our seniors during their last week of school. We are hoping to have some fun activities for them as well. People/companies would be making monetary donations as well as food donations.

Thank you,

Senior Class Sponsors

To Whom it May Concern,

The purpose of this letter is to reach out for help for the senior class. As the 2021-2022 school year is coming to an end, our senior class is working hard to get events set up and in motion. We are in need of different items for the last week of school for the senior class. We need items for breakfast, lunch and/or monetary donations. It will be used to feed the Class of 2022 throughout their final week as a Wildcat, while they will be practicing for graduation and having a few fun activities for them. We would really love to have the community's support. We are very appreciative of your time and anything you may be willing to contribute to the school. If you have any questions or would like to donate you can contact one of the senior advisors at rachel.riddle@gallatin.kyschools.us or becky.watkins@gallatin.kyschools.us.

Thank You

The Senior Class of 2022
