Consent Agenda Item (Action Item): Summer Feeding Program

Applicable State or Regulations: KRS 162.90 Powers and duties of the local board.

Fiscal/Budgetary Impact: All costs for the Summer Feeding Program will come from federal reimbursement generated by the program funding. School nutrition employees will receive their daily rate as well as a $25 daily bonus.

History/Background: Floyd County Schools will implement a Summer Feeding Program which will include mobile routes as well as individual school feeding sites. Multiple schools will be open to provide meals for children from 1 year old to 18-year-old. Our mobile routes will target housing authorities in each of the attendance areas in the county tentatively scheduled from June 7th until July 29th, 2022. The most cost effective and efficient way to provide this oversight is through adding additional days for school nutrition employees to deliver and serve meals at designated sites. The employees will receive bonus pay for Summer Feeding Days that occur outside of the Summer School Session Days. School Nutrition Employees will receive the adopted Summer School pay rates that the Floyd County Board of Education has already adopted for both Summer School sessions.

Recommended Action: Approve as recommended.
