Bryant Craig – National Merit Semifinalist and National Merit Finalist

The National Merit® Scholarship Program is an academic competition for recognition and scholarships that began in 1955. Approximately 1.5 million high school students enter the program each year. Of these 1.5 million students, approximately 15,000 advances to the Finalist standing. We are thrilled to recognize our very own Bryant Craig as one of these Finalists, one of the 15,000 of nearly 1,500,000. Bryant has fulfilled several requirements to advance to the finalist level of the competition and to be considered for National Merit Scholarships. Congratulations to Bryant Craig on this outstanding achievement and for displaying The Gold Standard! We are so excited for you, Bryant!
