KCMLC: Kentucky Center for Mandarin Language and Culture

Host School District: Woodford County Public Schools

Host School: Simmons Elementary School

This Agreement is between the KCMLC, the Host School and Host School District. It serves to document the parties' mutual understanding and agreement to participate in the KCMLC's Kentucky K-12 Chinese Language and Chinese Teachers Program for the academic year 2022-2023. It states the responsibilities of the Parties, which comprise the KCMLC, the Host School, and the Host School District.

WHEREAS KCMLC facilitates NKCES's goals of improving outcomes for P-12 students by providing leadership and support for Chinese language programs in Kentucky's K-12 classrooms.

WHEREAS the Host School wishes to provide its students with access to Chinese language instruction and the KCMLC and Instructors are willing to provide certain instruction services as outlined herein.

NOW THEREFORE, the parties agree as follows:

## **Article 1: KCMLC Responsibilities**

### **1. To Host School**

- a. Select and train qualified Instructors from China, from a pool of candidates, for placement in full-time Chinese language instruction positions in a Host School for a period of two to three years, with a possible extension for an additional two years. The number of Instructors to be placed in a Host School will be agreed to annually, in advance, by KCMLC, the Host School, and the Host School District. At the time of appointment, Instructors will have at least two years of teaching experience. In the event of travel restrictions, visa restrictions or other restrictions that prevent the Instructor from being in the school building, instruction will be conducted virtually until the Instructor is able to be present.
- b. Assign Instructor to Host School.
  - i. KCMLC's responsibility to place Instructors in Host School is contingent on an available pool of candidates acceptable to KCMLC and is contingent on continued funding from the Chinese Language and Education Cooperation in support of KCMLC's K-12 Chinese Language and Culture Program.
  - ii. If Host School relieves an Instructor of his or her teaching responsibilities, KCMLC is not responsible for providing a replacement within the same academic year.
- c. Provide the newly arrived Instructors a one-week orientation program, pedagogical training, and training on curriculum development that will follow, to the extent possible, Kentucky World Language Standards.
- d. Provide periodic pedagogical training to Instructors on teaching Chinese as a foreign language. Training will include, but will not be limited to, fundamentals of United States education pedagogy, teaching methodologies, classroom management, Kentucky World Language Standards, ACTFL Communicative Modes of teaching, and in-class experience working with U.S. K-12 students.
- e. Periodically observe and monitor the effectiveness of the Instructor.

- f. Cooperate with Host School to conduct annual and end-of-tenure evaluations of each Instructor.
- g. Provide information, as needed, to the KY Department of Education to assist it in completing the DS-2019 forms needed for visa applications.

**2. To Instructors:**

- a. Assist Instructors in preparing their applications for US visas.
- b. Assist Instructors with their international travel arrangements.
- c. Arrange airport pick up for NEW Instructors.
- d. Provide an orientation to the United States for Instructors, help them to establish bank accounts, acquire cell phone service, and, assist them in other ways with their transition to the United States.
- e. Provide access for Instructors to cross-cultural activities.

## **Article 2: Host School Responsibilities**

1. Identify possible housing options for Instructors and communicate options to KCMLC Program Coordinator.
2. Assist Instructors to settle in Host School and the community, including, but not limited to, providing transportation to Host School for a maximum of three months after Instructors arrive in the community.
3. Assist all Instructors with steps necessary to receive Kentucky Teacher Certification. The District Certification Officer will be responsible for uploading the Instructors' certification materials to the EPSB portal.
4. The District Certification Officer will ensure that a criminal background check is obtained for Instructors, and such other background review as is necessary to teach in the Host School District.
5. Provide Instructors with a district email address, a desk, clerical support such as access to school printer and copier and office supplies, and the necessary credentials to access the district computer network.
6. Pay KCMLC a support fee of \$8,000, per Instructor, per academic year.
7. Identify a school employee to provide mentorship to the Instructor in the first year to help the Instructor adjust to the school environment and culture.

8. Allow time for the Chinese teachers to observe American teachers' classes.
9. For grades K-5, make sure that each Chinese class meets 3 times a week, at least 20 minutes per class period.
  - a. For grades K-5, make sure that the classroom teacher or an instructional assistant is present in the classroom together with the Chinese class, and when necessary help to maintain classroom management.
10. Observe the Chinese teacher one to two times per academic year and provide reports to KCMLC by the beginning of May in each academic year. Use the KCMLC Classroom Observation checklist form and send a copy of the form to KCMLC by the beginning of May.
  - a. If the Host School determines that the teaching effectiveness of an Instructor is deficient, as defined by published criteria (16 KAR 5:010 and 16 KAR 1:020), the Host School must relay this information to the KCMLC. The Host School and KCMLC will create an Improvement Plan for the Instructor and establish a three-month period for the implementation of the Improvement Plan. If at the end of the established three-month period, the above parties agree that there has not been sufficient improvement as outlined by the Improvement Plan, the Host School may relieve the Instructor of his or her teaching responsibilities at the end of that semester. The Host School may relieve an Instructor of teaching responsibilities at any time for violations of conduct considered serious, but only after consultation with KCMLC.
11. Obtain the outgoing teacher's Content Report (a summary of each class's learning progress, i.e., content covered in the last year) and hand it to the new teacher.
12. Provide training for Chinese teachers on the Infinite Campus System as needed.
13. Supervise and manage the Instructors as your own American teachers.
14. Ensure the Instructors obtain sufficient advice and assistance in observing school regulations and local laws.

It is understood that the implementation of this agreement will commence on the date of last signature below.

#### **4.02.10-Performance-Based Penalties**

###### **B. Corrective Action Plan**

Should the Cabinet determine that the Contractor or any Subcontractor is not in substantial compliance with any material provision of this Contract, the Cabinet shall issue a written deficiency notice and require a corrective action plan be filed by the Contractor within ten (10) business days following the date of the notice.

#### C. Failure to Respond to Letter of Concern or Corrective Action Plan Notice

Failure of the Contractor to respond to a Letter of Concern within two (2) business days of receipt of the Letter of Concern may result up to a \$500.00 per day penalty for each day until the response is received. Failure of the Contractor to submit a Corrective Action Plan within ten (10) business days following the date of the written deficiency notice may result up to \$1,000.00 per day penalty for each day until the Corrective Action Plan is received.

#### D. Request for Extension

Upon request, CHFS may extend the time allowed for both a response to the Letter of Concern and a Corrective Action Plan depending upon the nature of the deficiency. The Contractor shall request an extension of time in writing from the representative designated in the Letter of Concern or the written deficiency notice. The written request shall contain a justification and proposed extension period. If an extension is granted, the penalty per day for both a late Letter of Concern or a late Corrective Action Plan would begin after the expiration of the extension period.

2. Failure to Correct any identified deficiency may result in action pursuant to Finance Terms Section 5.00 Cancellation of this Contract.
