

DEEPER LEARNING GRANT

- Central Kentucky Educational Cooperative
- Green River Regional Educational Cooperative
- Kentucky Educational Development Corporation
- Kentucky Valley Educational Cooperative
- Northern Kentucky Cooperative for Educational Services
- Ohio Valley Educational Cooperative
- Southeast/South Central Education Cooperative
- West Kentucky Educational Cooperative

Dear Superintendent,

To further the goal of deeper learning initiatives throughout our 171 school districts, the Kentucky Association of Educational Cooperatives (KAEC) has been awarded a grant totaling \$24.5 million dollars from the Kentucky Department of Education's ARP ESSER (state set aside funds). These funds will be distributed in order to assist school districts and their partner cooperatives in their efforts to grow in their deeper learning work.

Significant outcomes of this funding will be:

- Deeper Learning teams at each cooperative
- Stipends to create Deeper Learning teams in each participating district
- Funds for professional development and materials to build human capacity

KAEC is asking each district that chooses to participate in the Deeper Learning grant to sign this letter of intent. Return it to the cooperative director before the grant decision date of May 2, 2022.

This regional cooperative plan will allow cooperatives to:

- Hire a Deeper Learning team to support each participating district as they initiate or grow their Deeper Learning programs.
- Have a regional approach with a statewide impact. We will host joint meetings with our 8 Deeper Learning teams so that they can share successful strategies throughout the Commonwealth.
- Obtain national trainers/speakers who can provide their services to all eight cooperatives.

This regional cooperative plan will ask districts to:

- Commit to identifying Deeper Learning team members within your district.
 - Districts must spend at least 67% of their grant funds on deeper learning team members
 - Any remaining funds can be for costs associated with the deeper learning grant's additional expenses (i.e., professional learning & materials).
- Commit Deeper Learning teams to participate in the Deeper Learning work organized by the regional cooperatives throughout the duration of the grant (as appropriate).
- Complete annual evaluation reports to review progress on deeper learning goals (goals are established by the district in partnership with the cooperative team).

Please choose one of the following:

- ☐ We choose to participate in the KAEC Deeper Learning Grant
- ☐ We choose NOT to participate in the KAEC Deeper Learning Grant
