

The Governor's Scholar program is a highly competitive, summer residential program that allows students to choose a focus area of enrichment and incorporates seminars and general studies classes. There is a rigorous application process in which students are chosen within our school by a scoring committee including community members and teachers, then move on to be judged at the state level. Many colleges in the state provide wonderful scholarship opportunities for students chosen for this prestigious program.

This year's recipients include Abby Keith and Sydney Travis

Abby has also been accepted into the Governor's School for Entrepreneurs, The Entrepreneurial Leadership Institute and placed 2nd in Business Calculations at the FBLA state competition this year. After high school, Abby wants to earn a dual degree in business and film production and work toward being a producer and studio owner.

Sydney was also accepted into the Entrepreneurial Leadership Institute, Youth Salute, and is a member of the Hugh O'Brien Youth Leadership program. After high school, she plans to attend college and study business and finance.
