

***Garrard County Schools and Danville Office Equipment Support Staff
of the Month – April 2022***

Katie has been instrumental in the implementation of our new Garrard County Learning Academy! She has jumped in and made a good program even better! Katie never hesitates to do anything that needs to be completed. Katie is very organized and works incredibly hard at making sure all the GCLA students' needs are met! Katie is constantly checking in with students and building positive relationships with our students and families! We are immensely grateful to have Katie in this position!
