WHEREAS, the Dayton Independent School District Finance Corporation (the "Corporation") is a nonprofit, nonstock, public and charitable corporation duly organized pursuant to the provisions of Section 162.385 of the Kentucky Revised Statutes ("KRS") and KRS Section 58.180 and KRS Chapter 273, existing by virtue of the laws of the Commonwealth of Kentucky, having for its corporate purpose cooperation with the Board of Education (the "Board") of the Dayton Independent School District (the "District"), in financing the costs incident to the acquisition, construction and equipping of school buildings necessary for the Board to fulfill its duties delegated under KRS Chapter 160 in maintaining a system of common schools, and

WHEREAS, it is advantageous and in the best interests of all concerned that the Corporation construct school improvements as hereinafter described and that such school improvements be used and occupied for school purposes by the District, pursuant to a lease hereinafter provided for, and

WHEREAS, the Corporation, acting by and through its Board of Directors, desires to provide funds to supplement available funds of the Board in order to finance the acquisition, construction, installation, and equipping certain capital projects to benefit the District, including without limitation (i) the acquisition and installation of general gymnasium and bleacher improvements to the District's school facilities and (ii) the acquisition of certain real properties located on Clay Street and Third Avenue in Dayton, Kentucky, and all preliminary site preparation and other costs related thereto, including without limitation survey, environmental, appraisal, demolition, and other related costs, fees, and expenses (the "Project"), and the plans and specifications related to the Project, if any, have been heretofore prepared by the Board's Architects and filed in the office of the Secretary and have been approved by the Department of Education, and contracts for said Project have been or will shortly be awarded, secured by adequate performance bonds, and

WHEREAS, the Board has agreed to convey through deed or through a sublease and conveyance agreement the sites of the Project to the Corporation and thereupon to use and occupy the Project to be constructed pursuant to the terms of a Contract, Lease and Option (the "Lease") hereinafter provided, and the Board has been examined and is now found and declared to be in conformity with statutory requirements, and, in order to pay the cost of constructing the

Project and appurtenances, it is necessary that the Corporation authorize its Dayton Independent School District Finance Corporation School Building Revenue Bonds in an aggregate principal amount not to exceed \$2,700,000, in one or more series, dated the date of initial issuance and delivery (the "Bonds"), all pursuant to and as permitted by Sections 162.120 through 162.300 and 162.385 of Kentucky Revised Statutes.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE DAYTON INDEPENDENT SCHOOL DISTRICT FINANCE CORPORATION, AS FOLLOWS:

SECTION 1. Approval of Contract, Lease and Option. As set forth in the recitals hereto and as hereby confirmed, the Board agrees to deed the sites of the Project to the Corporation and thereupon to lease the Project from the Corporation pursuant to the terms and upon the conditions of a Contract, Lease and Option dated as of the date of initial issuance and delivery (the "Lease"), the form of which is attached hereto. If and when tendered by the Board, the deed and the Lease will be accepted by the Corporation, the form of the Lease having been examined, considered and approved. The President and Secretary are hereby authorized and empowered to take such actions and execute such documents as may be necessary to accept the conveyance from the Board of the Board's interest in the sites of the Project and to execute the Lease and such conveyance instrument on behalf of the Corporation upon execution and delivery by the Board to the Corporation of the instrument conveying the Board's interest in the sites of the Project and the Lease.

SECTION 2. Authorization of School Building Revenue Bonds. For the purposes recited in the preamble hereto, there are hereby further authorized and ordered to be issued and sold the negotiable "Dayton Independent School District Finance Corporation School Building Revenue Bonds, Series 2022," dated the date of initial issuance and delivery, in an aggregate principal amount not to exceed of \$2,700,000. All Bonds are to be in denominations in multiples of \$5,000 within the same maturity.

The Bonds shall be issued in fully registered (both principal and interest) form, bear interest from date of issue, payable semiannually each year, at the interest rates not exceeding the legal maximum as may be fixed as a result of the advertised sale of the Bonds, and shall mature on such annual date in the years and in the principal amounts as are determined by the President or the Secretary of the Corporation after the sale of the Bonds.

Notwithstanding anything contained in this Bond Resolution to the contrary, the Bonds shall be offered for sale in accordance with the provisions hereof and the determination of the best purchase bid for the Bonds shall be made on the basis of all bids submitted for exactly the principal amount of Bonds offered for sale under the terms and conditions herein specified; provided however, the Corporation reserves the right to decrease the total principal amount of Bonds sold to such best bidder, with such decrease to be made in any principal maturity so long as the total amount of Bonds awarded to such best bidder does not exceed \$2,700,000. In the event of any such adjustment (the "Permitted Adjustment"), no rebidding or recalculation of a submitted bid will be required or permitted; the interest rate and reoffering price for each maturity and the Underwriter's Discount, as submitted by the successful bidder, will be held constant.

The Bonds shall bear interest from the date of initial issuance and delivery, payable semiannually; interest being payable by the Paying Agent hereinafter designated directly to the registered owners of the Bonds (as of the 15th day of the month preceding the due date) by remittances made through regular United States Mail. The Bonds shall be payable at maturity upon their surrender to the Paying Agent.

The Bonds shall be subject to redemption at the option of the Corporation prior to their state maturities as determined by the Secretary of the Corporation.

The Bonds are further subject to extraordinary optional redemption prior to their stated maturities on any date, in such order of maturities as the Corporation may determine (less than all of a single maturity to be selected by lot), in whole or in part, from the proceeds of casualty insurance received upon the total destruction by fire, lightning, windstorm or other hazard of any of the buildings constituting the Project, upon notice of such prior redemption being given by the Paying Agent by regular United States Mail to the registered Owners of the Bonds so selected not less than thirty days prior to the date of redemption, upon terms of the face amount, plus accrued interest to the date of redemption.

If the successful bidder and original purchaser of the Bonds elects, in accordance with the provisions of the Official Terms and Conditions of Bond Sale, to combine the Bonds stated to mature on the maturity dates set out in the successful bid of such original purchaser to comprise a term bond ("Term Bonds"), as set out in said successful bid, then such Term Bonds shall be subject to mandatory redemption in part, at the selection of the Paying Agent and Bond Registrar by lot in such manner as the Paying Agent and Bond Registrar may determine, from moneys in the Sinking Fund at par plus accrued interest to the redemption date, according to the mandatory sinking fund redemption schedule or schedules set out in the accepted bid (subject to the Permitted Adjustment as herein provided).

SECTION 3. Place of Payment and Execution of Bonds. Both principal of and interest on the Bonds shall be payable at such bank or trust company as may be authorized by the Secretary of the Corporation, which bank is hereby designated as the Paying Agent and Bond Registrar in connection with the issuance of the Bonds. Principal and interest shall be payable without deduction for exchange or collection charges in lawful money of the United States of America. Under the Lease, all fees and expenses of the Paying Agent and Bond Registrar shall be the responsibility of the Board and shall be considered as additional rentals under the Lease.

The Bonds shall be executed on behalf of the Corporation with the duly authorized facsimile signature of the President, attested by the authorized, reproduced, facsimile signature of the Secretary and said officials, by the execution of the appropriate certifications, shall adopt as and for their own proper signatures their respective facsimile signatures as appear on the Bonds.

Notwithstanding anything contained herein to the contrary, the Bonds shall not be valid or binding upon the Corporation unless and until the Bonds are validated by the manual signature of the duly authorized representative of the Bond Registrar.

The Bonds shall be in substantially the same forms as the form of Bond attached to this Bond Resolution as Exhibit A, with appropriate substitutions or modifications.

SECTION 4. Bonds Not to Constitute an Indebtedness of Corporation. The Bonds issued and outstanding from time to time under the restrictions and conditions set forth in this Bond Resolution shall be payable solely from and secured by a pledge of the fixed amount of the gross income and revenues to be derived from the leasing of the Project to the Board.

By the adoption of this Bond Resolution, the Corporation covenants that it will fix and maintain rentals and charges for the use of the Project identified herein, including all improvements thereon, adequate to maintain the Bond Funds at levels sufficient to meet the principal and interest requirements on the Bonds as the same become due and sufficient to maintain a fund adequate to pay the costs of depreciation, maintenance, and insurance of the Project.

SECTION 5. Fiscal Year; Bond Sinking Funds Established; Insurance and Maintenance Fund. The Project shall be operated on a fiscal year basis, commencing July 1 of each year, and on that basis the income and revenues from the Project shall be set apart into separate and special funds to be used for the retirement of the Bonds and the maintenance of the Project.

There shall be and there is hereby created an account to be known as the "Dayton Independent School District Finance Corporation School Building Revenue Bond and Interest Redemption Fund" (the "Bond Fund"), to be deposited with the Paying Agent, into which there shall first be set aside from the proceeds of the sale of the Bonds the amount received from the purchaser representing accrued interest. Thereafter, there shall also be set aside into the Bond Fund from the first gross income and revenues of the Project not less than the amounts sufficient to pay the principal and interest requirements of the Bonds, which amounts are hereby exclusively pledged to and shall be used only for the purpose of paying the interest on and the principal of the Bonds as and when they become due.

In any event, there shall be set aside into the Bond Fund and there are pledged such amounts as may from year to year be necessary to meet the principal and interest requirements of the Bonds. The rental payments specified in the Lease are hereby pledged by the Corporation as the security and source of payment of the Bonds and so long as any of the Bonds remain outstanding the terms and amounts of the rental payments shall not be reduced.

There shall also be set aside sufficient revenues in a depreciation fund to be expended in making good any depreciation of the Project and in paying the cost of any extensions, additions or improvements.

The balance of the income and revenues remaining after the aforesaid payments into the Bond Fund and depreciation fund have been made shall be set aside into a maintenance fund and used for the maintenance of the Project and to pay the cost of insuring the Project against loss or damage by fire, lightning, windstorm or other hazard in an amount substantially equal to either the amount of the Bonds at any time outstanding or the maximum insurable value of the Project, whichever is greater. Such insurance shall be for the use and benefit of the holder or holders of any Bonds to the extent there are Bonds outstanding.

It is further agreed that in case the Project is totally destroyed by fire, lightning, windstorm or other hazard covered by insurance, the Corporation shall have the right to expend such proceeds to restore the property; that if such proceeds are not expended by the Corporation for the restoration of said property at the earliest practicable date, then all such insurance proceeds shall be used for the purpose of redeeming outstanding Bonds, and the Project shall be

and become the property of the Board upon retirement and payment in full of all outstanding Bonds and the interest, in which case the Corporation shall convey the Project to the Board free and clear of all encumbrances. In the event of partial destruction by fire, lightning, windstorm or other hazard covered by insurance, the insurance proceeds shall be used solely and only for the purpose of making the necessary replacements and repairs to the Project, provided further that if following such partial or complete destruction any principal or interest payment is due and there are not other funds available for the payments, the insurance proceeds must be applied to the defaulted payments.

SECTION 6. Corporation's Covenants to Perform Obligations. The Corporation hereby covenants and agrees with the holder or holders of the Bonds herein authorized that it will faithfully and punctually perform all duties with reference to the Project which are required by the Constitution and laws of Kentucky, including the making and collection of reasonable and sufficient rentals for the Project, and will segregate the revenues of the Project and make application to the respective funds herein created.

The Corporation further binds and obligates itself not to sell, mortgage or in any manner dispose of the Project until all of the Bonds shall have been paid in full both as to principal and interest; subject to the Board's option to purchase the Project as set forth in Section 7.

SECTION 7. Board's Options to Purchase Project. The Bonds are issued subject to the Board's right on any date to purchase the Project from the Corporation and to secure the release of the Project from the statutory mortgage lien and pledge of revenues securing the Bonds, for a price equal to the principal amount of the Bonds outstanding on the date upon which the option is exercised, plus a sum equal to the accrued interest on the principal amount of the Bonds to the date upon which the option is exercised, plus a further sum sufficient to accomplish the complete redemption and retirement (or defeasance) of the principal amount of the Bonds, including additional interest or premium.

If the Board shall desire to exercise the option, it may do so by giving notice of its election in writing to the Corporation at least ninety days prior to the interest due date upon which it desires to exercise the option. Thereupon, the Corporation shall call for payment a principal amount of the Bonds equal to such sum, the call to be strictly in accordance with the provisions of the Bonds and of this Bond Resolution. Notwithstanding anything contained in this Bond Resolution to the contrary, the Board shall have the right to exercise its option to purchase through the defeasance of the Bonds in the event the Bonds are not immediately subject to prior redemption on the date the option is exercised; provided, however, that sufficient funds shall be deposited in escrow to provide for the principal and interest requirements becoming due on the Bonds, and all expenses incident to the defeasance of the Bonds by the Board until such time as the Bonds are fully paid and retired.

SECTION 8. Statutory Mortgage Lien Created; Pledge of Revenues from Lease of Properties. For the protection of the holders of the Bonds, a statutory mortgage lien and pledge of the gross revenues derived from the Project are granted pursuant to Section 162.200 of Kentucky Revised Statutes, which lien and pledge of revenues are hereby recognized and declared to be valid and binding upon the Corporation and the Project herein referred to and shall take effect immediately, such statutory mortgage lien and pledge of revenues being subject to the terms and conditions as set out in the form of the Bond referred to in Section 3 hereof.

Any holder of the Bonds, whether at law or in equity, by suit or other legal proceedings, may enforce and compel the performance of all duties required by the Constitution and Statutes of Kentucky, including the charging and collection of sufficient rent, the segregation of income and the application thereof, insofar as the failure to perform such duties affects the interests of any Registered Owner of the Bonds herein authorized.

If there be any default in the payment of the principal of or on any of the Bonds, then upon the filing of suit by any holder of the Bonds, any court having jurisdiction of the action may appoint a receiver to administer the property, with power to charge and collect rents sufficient to provide for the payment of interest and principal required by the Bonds and maintain the maintenance and insurance fund herein provided for. The reasonable legal fees and the court costs, if any, incurred by any holder of the Bonds in connection with the appointment of such a receiver shall be paid from the revenues of the Project.

SECTION 9. No Priority Among Bonds. The Bonds authorized to be issued hereunder shall not be entitled to priority one over the other, regardless of the fact that they may be issued and delivered at different times.

SECTION 10. Parity Bonds to Complete Improvements. While any of the Bonds herein authorized or permitted to be issued are outstanding, the Corporation hereby reserves the right and privilege of issuing additional bonds from time to time, payable from the income and revenues of the Project, and ranking on a parity with the Bonds herein authorized but only if and to the extent the issuance of such additional parity bonds are in accordance with the plans and specifications which have been approved by the Commissioner of the Department of Education and by the Board of Education, and filed in the office of the Secretary, the issuance thereof shall be approved by the proper agents of the State Department of Education as required by law, and a Supplemental Contract, Lease and Option shall have been entered into, whereunder the annual rental payments during the life of such additional bonds.

SECTION 11. Covenant to Keep Proper Records. So long as any of the Bonds are outstanding, the Corporation shall require the Board to keep proper books and records (separate from all other records and accounts) of all transactions regarding the Bonds. It shall require the Board to furnish the original purchaser of the Bonds and to the holder of any of the Bonds, upon written request, not more than thirty days after the close of each fiscal period, complete operating and income statements certified by the auditors or auditor of the Board, and will require the Board to grant to the holders of no less than twenty-five percent of the Bonds then outstanding, the right at all reasonable times to inspect the project property and all records and accounts of the Corporation or the Board relating thereto.

SECTION 12. Conditions of Bond Sale; Acceptance of Bid. The Bonds shall be sold at public sale after advertising according to law. The Secretary is hereby authorized and directed to make such advertising, and all actions heretofore taken in such regard are ratified and approved. The specific terms, bidding conditions and restrictions governing the sale of said Bonds shall be as set forth in the forms of "Official Terms and Conditions of Bond Sale" and "Official Bid Form" which have been prepared by Dinsmore & Shohl LLP, Bond Counsel, Covington, Kentucky, and are attached to and made a part of this Resolution as Exhibits C and D, respectively, and which forms having been examined and considered, are hereby ratified and approved. The Secretary is hereby directed to utilize the forms in connection with the sale of the Bonds, and all actions heretofore taken in such regard are ratified and approved.

The Secretary is hereby authorized to accept the bid she/he determines to be the best bid in accordance with the Official Terms and Conditions of Sale; shall, in accepting the successful bid, determine the exact principal amount of Bonds to be issued and the rates of interest which said Bonds shall bear; and shall evidence such acceptance and determination by the completion and execution of the Official Bid Form submitted by the successful bidder.

SECTION 13. Deposit and Application of Bond Proceeds; Construction Fund. Upon the sale and delivery of the Bonds there shall first be paid all expenses incident to the authorization, sale and delivery of the Bonds. Next, there shall be paid into the Bond Fund established with the Paying Agent, the interest on the Bonds from their date to the date the Bonds are delivered. The entire remaining proceeds of the Bonds shall be devoted exclusively to the payment of the costs of the Project and appurtenances described herein and according to the plans and specifications duly approved and filed as provided by KRS 162.120.

Pending expenditures of the proceeds then remaining, such funds shall be deposited, until needed for construction purposes, in a special construction account established with the Board (the "Construction Fund").

The money in the Construction Fund shall be expended by payments made to defray the costs of acquiring, constructing, equipping and installing the Project, the payments to be made upon checks drawn upon by the Treasurer of the Board, as designated by a written resolution of the Board.

The Treasurer of the Board is hereby authorized to execute such checks from time to time in the necessary amounts upon the aforesaid being presented to and approved by the Board. Such checks shall be fully negotiable, and any bank shall be authorized to honor and pay the checks, provided it assumes the responsibility for the propriety of all endorsements, or all endorsements to it are guaranteed by a bank. Upon the completion of the Project, any surplus remaining in the Construction Fund may be transferred to the Bond Fund and the Board shall receive credit against its obligations due under the Lease.

Money in the Bond Fund or Construction Fund shall be invested for the benefit of the respective accounts in such portions and in such manner as is designated by the representative of the Board. Such obligations shall consist of the following:

The Project properties which are subject to the statutory mortgage lien and pledge of revenues securing the Bonds are located upon the sites described in Exhibit E to this Bond Resolution which is incorporated in full herein by reference. SECTION 16. Covenant Against Arbitrage. The Corporation shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Corporation on the Bonds shall, for the purposes of Federal income taxation, be exempt from income taxation under any valid provision of the Internal Revenue Code of 1986, as amended, and the Regulations promulgated thereunder (the "Code").

Neither the Corporation nor the Board shall permit at any time or times any of the proceeds of the Bonds to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any such Bonds to be “arbitrage bonds” as defined in Sections 103(b)(2) and 148 of the Code, as then in effect.

In order to assure compliance with this Section, thereby better securing and protecting the holders of the Bonds, the Corporation covenants that it will not purchase any obligation or invest the proceeds of the Bonds in any obligations that produce a yield in excess of the applicable maximum yield as may be permitted by the Code, nor will it permit the Board to take such action.

The Corporation further covenants that prior to the issuance of the Bonds and as a condition precedent to such issuance the Corporation shall certify by issuance of a certificate of the President, supplemental to this Bond Resolution, that on the basis of the facts, estimates and circumstances in existence on the date of issue of the Bonds, it is not expected that the proceeds of the Bonds will be used in a manner which would cause such obligations to be “arbitrage bonds” under the Code. The President is hereby designated and charged by the Board of Directors with the responsibility for issuing the Bonds herein authorized.

The Corporation, as an agency and instrumentality of the Board, hereby certifies that it does not reasonably anticipate that less than 95% of the proceeds of the Bonds will be used for “local government activities” of the Corporation, or that the aggregate face amount of all tax-exempt bonds issued by the Corporation during the calendar year ending December 31, 2022 will exceed the greater of (i) \$5,000,000 or (ii) \$5,000,000 plus the principal amount of tax-exempt obligations issued for the purpose of financing the construction of public school facilities, but not to exceed \$15,000,000.

The President and Secretary are hereby authorized and empowered to designate the Bonds as “qualified tax-exempt obligations” within the meaning of the Code Section 265(b)(3) under the terms of the Board’s Resolution if it is determined to be in the best interest of the Corporation. In doing so, the President and Secretary may take such actions and execute such documents as may be necessary to certify, on behalf of the Corporation, that it does not reasonably anticipate, based upon representations to it by the Board, that the total principal amount of qualified tax-exempt obligations which it will issue, during either calendar year ending December 31, 2022, will exceed \$10,000,000.

The Corporation further covenants that it will cause to be filed with the Internal Revenue Service the reporting statements required by the Code.

SECTION 17. Preliminary Official Statement and Final Official Statement Authorized; Appointment of Financial Advisor and Bond Counsel. Compass Municipal Advisors, LLC, Lexington, Kentucky, Financial Advisor for the Corporation and the Board, having assisted in the preparation of a Preliminary Official Statement in conjunction with Bond Counsel, the Board and the Corporation in regard to the sale of the Bonds containing all pertinent information concerning the Bonds, and the Preliminary Official Statement having been reviewed by the Corporation and the Board, same is hereby authorized, ratified and approved and deemed “final” within the meaning of Securities and Exchange Commission Rule 15c2-12, as amended (the “Rule”). The President and the Secretary are hereby each separately authorized to acknowledge same and to deem the Preliminary Official Statement “final” within the meaning of the Rule.

The Financial Advisor is further directed to prepare a Final Official Statement complying with the requirements of the Rule and the President and Secretary are each hereby directed and authorized to assist with the preparation of the Final Official Statement and to take such actions as may be necessary to insure compliance with the Rule. The President and Secretary are also authorized to execute the Financial Advisor's contract on behalf of the Corporation, which contract is hereby authorized, ratified and approved. Dinsmore & Shohl LLP, is hereby officially appointed Bond Counsel for the Bonds.

A bank or trust company as may be authorized by the Secretary, is hereby designated as the Bond Registrar and Paying Agent for the Bonds (the "Bond Registrar" and "Paying Agent"). The Bond Registrar and Paying Agent shall receive compensation for its services in accordance with its Agreement with the Corporation and the Board (attached hereto as Exhibit F and made a part of this Resolution) the President and Secretary are hereby each separately authorized and empowered to execute said Agreement on behalf of the Corporation. Matured or redeemed Bonds shall be payable upon presentation to the Paying Agent. For interest payment purposes, the Paying Agent shall be entitled to rely on its records as Bond Registrar as to the ownership of each Bond as of the 15th day of the month preceding an interest due date and the Paying Agent's checks shall be drawn and mailed accordingly;
- (c) To notify each registered owner to be prepaid and to redeem Bonds prior to their stated maturity upon their presentation in accordance with the provisions of Section 2 of this Bond Resolution upon being supplied with sufficient funds:

(B) Bidders are required to bid for the entire issue of Bonds at a minimum price of not less than \$2,646,000 (98% of par), PAYABLE IN IMMEDIATELY AVAILABLE FUNDS.

(C) Interest rates for the bonds must be in multiples of one eighth of one percent (0.125%) and/or one twentieth of one percent (0.05%) with no rate to exceed seven percent (7.000%), and all Bonds of the same maturity shall bear the same single interest rate from the date thereof to maturity.

(D) The determination of the best purchase bid for the Bonds shall be made on the basis of the lowest true interest cost ("TIC") of all bids submitted for exactly the principal amount of Bonds offered for sale under the terms and conditions herein specified. The corporation will accept or reject such best bid, provided, however, a Permitted Adjustment is reserved hereunder and the Corporation reserves the right to decrease the total amount of Bonds by any amount determined by the Corporation to be in its best interest. In the event of any such Permitted Adjustment, no rebidding or recalculation of a submitted bid will be required or permitted.

The Corporation also has the right to adjust individual principal maturity amounts, even if the total amount of the Bonds does not change, in order to promote desired annual debt service levels. If the principal amount of any maturity of the Bonds is revised after the award, the interest rate and reoffering price for each maturity and the Underwriter's Discount on the Bonds as submitted by the successful bidder shall be held constant.

(E) In the event of any such adjustment and/or revision with respect to the Bonds, no rebidding will be permitted, and the portion of such premium or discount (as may have been bid on the Bonds) shall be adjusted in the same proportion as the amount of such revision in par amount of the Bonds bears to the original par amount of such Bonds offered for sale.

Unless bids for the Bonds are rejected, the Bonds will be awarded on an all or none basis on the sale date to the bidder whose bid result in the lowest true interest costs for the Bonds, to be calculated by computing the total interest payable on the Bonds from the expected date of delivery, through the final maturity date, plus discount or less premium. For purposes of calculating the true interest cost, the principal amount of any Term Bonds scheduled for mandatory sinking fund redemption as part of the Term Bond shall be treated as a serial maturity in such year for the Bonds. If two or more bidders offer to purchase the Bonds at the same lowest true interest rate, the Corporation shall determine by lot which bidder will be awarded the Bonds.

The successful bidder for the Bonds will be notified by no later than 5:00 P.M. (E.D.T.), on the sale date of the exact revisions and/or adjustment required, if any.

(F) If three or more bids for the Bonds are received as a result of this competitive sale, the successful purchaser will be required to certify on or before the issue date the

reasonably expected initial offering price to the public for each Maturity of the Bonds which prices are the prices for each Maturity of the Bonds used by the successful purchaser in formulating its bid to purchase the Bonds.

If less than three bids for the Bonds are received as a result of this competitive sale, the successful purchaser, by submitting a bid pursuant to a published Notice of Sale, has agreed in writing that they will be required to certify on or before the issue date (and provide reasonable supporting documentation for such Certification, such as a copy of the Pricing Wire or equivalent communication) for each Maturity of the Bonds (i) the first price at which at least 10% of each Maturity of the Bonds was sold to the Public, (ii) the initial offering price to the public as of the Sale Date of any Maturity of the Bonds, and (iii) that they neither offered nor sold any of the Bonds of any Maturity to any person at a price that is higher than the initial offering price for such Maturity during the Holding Period for such Maturity.

Bids will not be subject to cancellation or withdrawal by the bidder in the event that three bids are not received and the winning bidder shall advise the Corporation on the Sale Date if any maturity of the Bonds satisfies the 10% test set forth in (i) above as of the date and time of the award of the Bonds.

For purposes of the above the following terms are defined as follows:

(i) Holding Period means, with respect to a Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the successful purchaser has sold at least 10% of such Maturity to the Public at prices that are no higher than the Initial Offering Price for such Maturity.

(ii) Maturity means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(iii) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50% common ownership, directly or indirectly.

(iv) Sale Date means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is [Sale Date].

(v) Underwriter means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

(vi) Underwriter's Discount means the difference between the purchase price of the Bonds submitted by the bidder and the price at which the Bonds will be issued to the public, calculated from information provided by the bidder, divided by the par amount of the Bonds bid.

(G) The Corporation shall provide to the successful purchaser a Final Official Statement in accordance with SEC Rule 15c2-12, as amended. Arrangements have been made with the printer of the Preliminary Official Statement, upon submission of completion text, to print a reasonable quantity of Final Official Statements in sufficient time to meet the delivery requirements of the successful bidder under SEC or Municipal Securities Rulemaking Board Delivery Requirements. The successful bidder shall be required to pay for the printing of the Final Official Statement.

(H) CUSIP identification numbers will be printed on the Bonds at the expense of the Corporation. The purchaser shall pay the CUSIP Service Bureau Charge. Improper imprintation or the failure to imprint CUSIP numbers shall not constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the Bonds in accordance with the terms of any accepted proposal for the purchase of the Bonds.

(IH) The Corporation shall provide to the successful purchaser a Final Official Statement in accordance with SEC Rule 15c2-12, as amended. A Final Official Statement will be provided in electronic form to the successful bidder, in sufficient time to meet the delivery requirements of the successful bidder under SEC or Municipal Securities Rulemaking Board Delivery Requirements. The successful bidder shall be required to pay for the printing of the Final Official Statement.

(J) Bids need not be accompanied by a certified or bank cashier's good faith check, but the successful bidder will be required to wire transfer to the order of the Corporation an amount equal to 2% of the amount of the principal amount of the Bonds awarded by the close of business on the day following the award. Said good faith amount will be forfeited as liquidated damages in the event of a failure of the successful bidder to take delivery of such Bonds, as the case may be, when ready. The good faith amounts (without interest) will be applied to the purchase price upon delivery of the Bonds. The successful bidder shall not be required to take up and pay for said Bonds, as the case may be, unless delivery is made within 45 days from the date the bid is accepted.

(K) The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. They will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Bond certificate will be issued for each maturity of the Bonds of each series, each in the aggregate principal amount of such maturity, and will be deposited with DTC. Purchases of the Bonds under the DTC system must be made by or through securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations (the "Direct Participants"), which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (a "Beneficial Owner") is in turn to be recorded on the records of Direct Participants or securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant (the "Indirect Participants"). Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic

statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

(L) The Corporation reserves the right to reject any and all bids or to waive any informality in any bid. The Bonds are offered for sale subject to the principal and interest not being subject to Federal or Kentucky income taxation or Kentucky ad valorem taxation on the date of their delivery to the successful bidder, in accordance with the Final Approving Legal Opinion of Dinsmore & Shohl LLP, Covington, Kentucky, which Opinion will be qualified in accordance with the section hereof on TAX TREATMENT.

(M) The successful bidder may elect to notify the Financial Advisor within twenty-four (24) hours of the award of the Bonds that certain serial maturities as awarded may be combined with immediately succeeding serial maturities as one or more term bonds the “Term Bonds”); provided, however, (a) bids must be submitted to permit only a single interest rate for each term bond specified, and (b) Term Bonds will be subject to mandatory redemption by lot on May 1 of the years and in the principal amounts set forth in the final adjusted maturity schedule setting the actual size of the issue.

(N) The Corporation and the Board agree to cooperate with the successful bidder in the event said purchaser desires to purchase municipal bond insurance regarding the Bonds; provided, however, that any and all expenses incurred in obtaining said insurance shall be solely the obligation of the successful bidder should the successful bidder so elect to purchase such insurance.

TAX TREATMENT

Bond Counsel is of the opinion that:

- (A) The Bonds and the interest payable thereon are exempt from income and ad valorem taxation by the Commonwealth of Kentucky and all of its political subdivisions

(B) Interest payable on the Bonds is excludable from gross income under the Internal Revenue Code of 1986, as amended (the “Code”). Furthermore, interest on the Bonds will not be treated as a specific item of tax preference, under Section 57(a)(5) of the Code, in computing the alternative minimum tax for individuals and corporations. The Corporation has covenanted to comply with the applicable provisions of the Code, and such compliance by the corporation is necessary to maintain the federal income tax status described above. No opinion is expressed regarding other federal tax consequences arising with respect to Bonds.

- (C) The Corporation [has/has not] designated the Bonds as “qualified tax-exempt obligations” pursuant to Section 265 of the Code.

We understand this bid may be accepted for as much as \$2,700,000 of the Bonds or as little as deemed by the Issuer to be in Issuer’s best interest, at the same price per \$1,000 Bond, with the variation in such amount occurring in any maturity of all maturities, which will be determined by the Corporation at the time of acceptance of the best bid.

It is understood that the Corporation will furnish the final, approving Legal Opinion of Dinsmore & Shohl LLP, Bond Counsel, of Covington, Kentucky.

We further understand that by submitting a bid we agree as follows:

If three or more bids for the Bonds are received as a result of this competitive sale, the successful purchaser will be required to certify on or before the issue date the reasonably expected initial offering price to the public for each Maturity of the Bonds which prices are the prices for each Maturity of the Bonds used by the successful purchaser in formulating its bid to purchase the Bonds.

If less than three bids for the Bonds are received as a result of this competitive sale, the successful purchaser, by submitting a bid pursuant to a published Notice of Sale, has agreed in writing that they will be required to certify on or before the issue date (and provide reasonable supporting documentation for such Certification, such as a copy of the Pricing Wire or equivalent communication) for each Maturity of the Bonds (i) the first price at which at least 10% of each Maturity of the Bonds was sold to the Public, or (ii) that they neither offered nor sold any of the Bonds of any Maturity to any person at a price that is higher than the initial offering price for such Maturity during the Holding Period for such Maturity.

Bids will not be subject to cancellation or withdrawal by the bidder in the event that three bids are not received and the Issuer determines to apply the hold-the-offering-price rule. For purposes of the above the following terms are defined as follows:

(a) Holding Period means, with respect to a Maturity, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the successful purchaser has sold at least 10% of such Maturity to the Public at prices that are no higher than the Initial Offering Price for such Maturity.

(b) Maturity means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(c) Public means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50% common ownership, directly or indirectly.

(d) Sale Date means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is [Sale Date].

(e) Underwriter means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).
