

# DAYTON INDEPENDENT SCHOOLS

## Grants Report

April 25, 2022

### Grants in Progress:

- **GEER II Grant** - The FRYSC centers were awarded \$100,000 for GEER II funds for 2 year expenditure period beginning 7-1-21. This will be a combined FRYSC grant for each center. Budget plan is for Child Care, Youth Leaders, GROW sessions, Relatives raising Relatives program.
- **McKinney Vento Grant** – This grant was just awarded/renewed for another 3 years. Bellevue/Dayton/Southgate are partnering and Ericka Huff will continue as McKinney-Vento Coordinator. Award amount is \$107,215.00 per year.
- **Fresh Fruit and Vegetable Grant** – The grant was awarded to Lincoln Elementary School for the 2021-2022 school year.
- **Positive Action Grant** – This is a multi-district grant. This is LES only, with grades 2,4,6 are participating. This project is being coordinated by Amanda Minser.
- **FY21 Kentucky Innovative Learning Network Partnership** - \$10,000 award that will allow us to continue our work with Gallup, including Clifton Strengths and the Q12 employee engagement survey.
- **Preschool Partnership Grant** – This grant is currently in progress.
- **Northern Kentucky Institute for Arts Integration** – This is a multi-district grant that I had not previously listed, but we did receive.
- **Equipment Assistance Grant** – This grant has been awarded – Lincoln Elementary School was awarded and will be purchasing a new oven

### Grants in Implementation:

- Calming Space Grant – this grant was originally due on April 15, but has indefinitely delayed. We will apply when reinstated.
