I would like to make a proposal to change my assistant Hannah Davis's days to work from 185 to 210. We are receiving an increase in our FRYSC budget & I would like to utilize her days for more days in the summer so that we can do more summer programming.

This would be effective July 1st

Thanks, Angie

I am requesting an increase in Angie Brooks working days. She has 205 days at this time and we would like to increase her to 220. We are able to cover this cost with the FRC funds.
