

GMS Academic Team

The GMS Academic Team had over 60 members. They were the district champions overall and saw 17/18 testers qualify for regional competition. The team won every district championship except one. The problem solving and quick recall teams were also district champions. The GMS Team was also overall Regional Runners-up and had the regional champion in Arts (Emorie Martin), Science (Colin Gilbert), and ELA(Olivia Denny). 6 individuals and our problem-solving team advanced to State. Our 6th Grade team also placed as Runner Up and Emorie Martin placed 6th overall in the state on the 6th grade test.
