Dear Board Members,

I am an intervention teacher at AB Chandler. This is my first year there. I have enjoyed my time there but I am not being rehired.

This year has been very hard on me and my family. I have had family sickness, personal sickness, a death in my family, a car accident for myself and my son was in a very bad car accident. He was hospitalized and I stayed with him while he was in the hospital. On top of all of that my migraines, which are made worse by stress have been the worse they have ever been.

I am writing in hopes that you will be able to give me four extra non paid leave days. When I am not at school I do not require a sub. I have one appointment that I need to keep for medical and emotional health reasons.

Thank you so much for taking your time to consider this request.

Sincerely,

Samantha Ramey
