

THIS IS A DECISION PAPER

TO: Hardin County Board of Education

FROM: Teresa Morgan, Superintendent

DATE: May 19, 2022

SUBJECT: Approve the Waiver of Pupil Attendance Regulation for the Full-Time Elementary Virtual School

DISCUSSION:

Due to the reduction in application restrictions for the K-5 Elementary Virtual School, the need to continue the full-time Elementary Virtual School is being requested. We originally only enrolled students with medical conditions, due to COVID, which did not allow the students to be in a traditional school setting. This would now open up the opportunity for any student that qualifies through the application process based on this choice of learning. Therefore, we are requesting approval of the Waiver of Pupil Attendance Regulation for the Full-Time Elementary Virtual School

PROPOSAL:

The Board of Education approves the Waiver of Pupil Attendance Regulation for the Full-Time Elementary Virtual School

RECOMMENDATION:

It is recommended that the Hardin County Board of Education approve the Waiver of Pupil Attendance Regulation for the Full-Time Elementary Virtual School

RECOMMENDED MOTION:

I move that the Hardin County Board of Education approve the Pupil Attendance Regulation for the Full-Time Elementary Virtual School
