

Danville Office Equipment Support Staff of the Month
Debbie Rhodus

Mrs. Rhodus is the keystone to our amazing office squad. She is the first one to arrive each morning and her kindness and positive energy is simply contagious. She greets staff, students, and parents with warmth every time she sees them in the office or talks to them on the phone. Even when having to remind teachers to post attendance or reminding parents about attendance procedures, Mrs. Rhodus is the courtesy in 'courtesy call'. When things get too serious, you can count on Mrs. Rhodus to help lighten the mood. We are simply blessed to have Mrs. Rhodus at LES.
