RE: STATE VOLLEYBALL TOURNAMENT

DATE: MAY 2, 2022

The 2022 KHSAA State Volleyball Tournament is currently tentatively scheduled for Nov. 4-5 at George Rogers Clark High School's Cardinal Arena.

That same weekend, Lexington will be hosting the Breeder's Cup at Keeneland. We have working with Lexington Convention & Visitors' Bureau staff and lodging is at a premium in Lexington and the surrounding area, including Winchester. If available, rates are in the \$300/night range.

In discussing with staff, it is recommended to shift the dates of the event for this year only to Thursday, Nov. 3 and Friday, Nov. 4. The State First round matches would still be contested on Monday, Oct. 31. With only four teams remaining in play on Nov. 4, this should assist with the number school teams needing lodging.
