RE: Permission to change job title

The Department of School Nutrition Services (SNS) requests permission to change the job title of "Full-time Substitute School Food Service Cook/baker" to "School Food Service Traveling Cook/baker." The job description will remain the same. The reason for the change is to provide a distinct difference between our traveling positions and our substitute positions. In addition, by adding the word "traveling" to the job title it provides a more realistic description of the actual job responsibilities.
