Next Steps in the FY23 Budget Development

ESSER Funding Update Requirements

- ARP Requires: Reserve at least 20% to address learning loss using evidence-based interventions
 - Interventions must respond to students social, emotional, and academic needs
 - Address disproportionate impact of COVID-19 on underrepresented student subgroups (each major racial and ethnic group, children from low-income families, children with disabilities, English learners, gender, migrant students, students experiencing homelessness, children and youth in foster care)
- ARP & other ESSER funding allows a wide range of activities to address needs due to coronavirus pandemic
 - Purchasing educational technology that aids in educational interaction between student and teacher
 - Purchasing supplies to sanitize facilities
 - Training on minimizing spread of infectious diseases
 - Addressing needs for remote learning - hardware, software, connectivity, & adaptive equipment
 - Any activity allowed under ESEA, IDEA, Perkins CTE, and Adult Education

ESSER Funding Update Goals

- JCPS has provided funding in several areas to address student needs:
 - Addressing the immediate needs of students through direct support to schools and district support
 - Providing instruction reflective of academic & social-emotional structure that best serves students
 - Close opportunity gaps by creating infrastructure that expands technology & addresses facility needs
 - Invest in staff capacity and sustain staffing
 - Providing mental health services and supports
 - Providing instructional support through - Elev8 Learning Centers, individual tutoring, after school programs, and summer Backpack
