Nixon Power Services Co is pleased to offer this proposal for servicing your generators.

We will provide you with the highest quality of service in the industry. After each service you will receive a report .

This report documents our findings, recommendations, and test and service results. In the event additional repairs are discovered the onsite technician will make necessary repairs on a time and ,material basis based upon your approval.

This agreement is billed annually or at the time of service from the date of acceptance and renewed automatically if not cancelled by either party.

Annual reminders will be sent with the potential cost of living increases not to exceed 5%. Customer may opt to renew month to month with a 30 day notice

All prices quoted are for services listed . Emergency service calls are billed on time and material basis
