Mr. Whalen:

I would like to propose an increase in our preschool tuition for 3 and 4 year old preschool. Currently we charge \$15 per day. I have researched multiple child care facilities in our surrounding areas. If we increased \$5 a day to a total of \$20 per day, we would still be commensurate or cheaper than most of our surrounding child care facilities. This does not include our lower families of 4 year olds, 3 year olds with a developmental delay or students that are CCAP (Child Care Assistance Program) eligible; they will continue to receive child care services at no charge to their families. Early education is imperative to a child being successful in school and eventually as a productive citizen. Dawson Springs Independent School is currently one of the few school districts offering child care for our families and would like to continue to offer this service to our families.

Thanks,
Kristin Merrill
