In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

The parties do not anticipate or intend the creation by Contractor of any newly created intellectual property or "Works Made for Hire" ("New Work Product Deliverable") to be owned exclusively by the customer under the Agreement, and nothing will be deemed

a New Work Product Deliverable hereunder unless the development of such New Work Product Deliverable is expressly agreed and individually identified as a New Work Product Deliverable to be owned exclusively by the customer in a Contractor quote or a statement of work signed by a VP or above level representative of Contractor, on an individual case basis prior to creation.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board.
