The Kentucky Framework for Teaching and Specialist Frameworks for Other Professionals

The Kentucky Framework for Teaching and the Kentucky Specialist Frameworks for Other Professionals is designed to support student achievement and professional practice through the following performance measures:

- Planning;
- Environment;
- Instruction; and
- Professionalism.

The Frameworks also include themes such as equity, cultural competence, high expectations, developmental appropriateness, accommodating individual needs, effective technology integration, and student assumption of responsibility. They provide structure for feedback for continuous improvement through individual goals that target student and professional growth, thus supporting overall school improvement. Performance is rated for each component according to four performance levels: Ineffective, Developing, Accomplished, and Exemplary. The summative rating is a holistic representation of performance, combining data from multiple sources of evidence across each domain.

Evaluators *must* use the following categories of evidence in determining overall ratings:

- Professional Growth Planning with embedded Self-Reflection
- Observation

Evaluators *may* use the following categories of evidence in determining overall ratings:

- Walk-throughs (scheduled & unscheduled)
- Walk-through feedback
- Lesson plans/Team-developed curriculum units
- Communication logs
- Data - Formative and/or summative test data; student data records; trend data
- Student work samples
- Student formative and/or summative course evaluations/feedback

Professional Growth Planning

Professional growth planning is a reflective process for teachers and other professionals. To complete this process, the teachers and other professionals shall:

- (1) Reflect on his/her current growth needs based on multiple sources of data and identify an area or areas for focus aligned with the school/district improvement plans;
- (2) Collaborate with the primary evaluator to develop a professional growth plan and action steps;
- (3) Implement the plan;
- (4) Regularly reflect on the progress and impact of the plan on his/her professional practice;
- (5) Modify the plan as appropriate;
- (6) Conduct a summative reflection on the degree of goal attainment and the implications for next steps; and
- (7) Complete and document the Professional Growth Plan.

The Professional Growth Plan (PGP) addresses realistic, focused, and measurable professional goals. The plan connects data from multiple sources including classroom observation feedback, data on student

growth and achievement, and professional growth needs identified through self-assessment and reflection. In collaboration with the administrators, teachers identify explicit goals, which drive the focus of professional growth activities, support, and on-going reflection. All teachers and other professionals shall participate in self-reflection and professional growth planning each year. The PGP shall serve as a source of evidence for the summative evaluation.

Activity	Timeline	Evaluatee Role Procedure/Documentation	Evaluator Role/Monitoring
PGP Development	-Reflect within first 30 calendar days of school -Evaluatee submits by September 30 -Evaluator approves by October 31	-Using Kentucky Framework to determine current level of practice -Complete <i>PGP form</i> -Submit to evaluator for review and approval	-Collaborate with evaluatee; review and approve <i>PGP</i> -Print/Sign/Date/Upload in district platform

PGP Development:

Observation

The observation process is a critical component of determining educator effectiveness. The supervisor observation will provide documentation and feedback to measure the effectiveness of an educator's professional practice.

For other professionals, these observations may occur in the form of a class observation or a site visit by the primary evaluator according to what is most fitting for the other professional's role and function.

There must be two observations in the summative cycle conducted by the evaluator—1 formal; 1 informal. At the primary observer's discretion, additional observations may be required. Observations may begin after the evaluation training takes place within 30 calendar days of reporting for employment each school year. These observations must be documented in the district-approved platform.

Note: Timelines may be impacted by adjustment of calendar and/or release of state assessment data.

Late hires – Evaluatees hired after the school year begins shall complete Self-Reflection within 30 days of employment and PGP within 45 days of employment.

Timeline for Late Hires – Employees hired during the second semester shall receive, at a minimum, one full observation and a summative evaluation.

KTIP – Since KTIP is not funded for the 2018-2020 biennium, Henderson County Schools will embark on an internal process for mentoring new teachers, alternative certification teachers and others as identified on an individual basis.

Observer Certification for Evaluators

All administrators serving as a primary evaluator must complete the Initial Certified Evaluation Training provided by the Kentucky Department of Education or a provider approved by the department prior to conducting observations for the purpose of evaluation.

In addition, all evaluators shall receive six hours annually of personnel evaluation system training approved by the Effective Instructional Leadership Act. This training shall be in effective observation and conferencing

techniques, providing clear and timely feedback, in establishing and assisting with a professional growth plan, and in summative decision techniques.

Additional Administrative personnel may be trained to observe and provide information to the primary evaluator.

Observation Pre- and Post- conferences

Informal observations may be announced or unannounced; however formal observations must be announced. For all observations, pre-conferences are optional. At the evaluator or evaluatee's discretion, a pre-conference can take place. This must occur within five (5) days prior to the observation. If conducted, pre-conferences can take place in person or electronically.

Observers must conduct a post-conference within five (5) working days following each observation. The summative evaluation conference shall be held at the end of the summative evaluation cycle and shall include all applicable evaluation data. The evaluatee shall be afforded the opportunity to provide a written response to the observation that will be placed in the personnel file with the observation documents.

Resource documents that may be used for pre- and post- conferences include: Pre-Observation document; lesson plans; observation evidence; KY Framework; and Post-Conference document.

Observation Pre- and Post- conferences:

Observation Type	Pre-Conference Format	Post-Conference Format
Announced Informal	Optional (If chosen, can be in-person or by email)	In-person
Unannounced Informal	N/A	In-person
Formal	Optional (If chosen, can be in-person or by email)	In-person

Observation Schedules

One-Year Cycle Summative Observation Model

Non-tenured teachers and other professionals are on a one-year cycle for evaluation. Tenured teachers and other professionals on an Assistance/Corrective Action Plan shall follow the one-year summative observation model.

One-Year Cycle Summative Observation Model for Teachers and Other Professionals

Observation Type	Observation Time	Documentation	Observation Timeline
Informal Observation or Site Visit	Suggested to be at least 20 Minutes	<u>Step 1:</u> Record observation evidence with focus on Domains 2 & 3 <u>Step 2:</u> Print/sign/date using district approved forms/ platform	By March 15 th
Formal Observation or Site Visit	Full Class/Lesson	<u>Step 1:</u> Record observation evidence <u>Step 2:</u> Print/sign/date using district approved forms/ platform	By April 15 th
Summative Evaluation Meeting		<u>Step 1:</u> At evaluatee's conference, print/sign/date using district approved forms/ platform <u>Step 2:</u> Provide copies for Evaluatee; Primary Evaluator's Records; and District Director of Human Resources for employee's personnel file	By May 1 st

Note: Timelines may be impacted by adjustment of calendar.

Late hires – Evaluatees hired after the first instructional day will follow this process, but timelines may be adjusted.

Evaluatees hired during the second semester shall receive, at a minimum, one full observation and a summative evaluation.

Three Year Summative Observation Model

Tenured teachers and other professionals on a three (3) year summative cycle are required to have one formal and one informal observation within the three (3) year cycle. To scaffold the primary evaluator's observations within the three (3) year cycle, recommended timelines are in the following table. Tenured teachers and other professionals who yield an ineffective rating shall have multiple observations.

Three Year Cycle Summative Observation Model for Teachers and Other Professionals:

Observation Type	Observation Time	Documentation	Observation Timeline
Informal Observation or Site Visit	Suggested to be at least 20 Minutes	<u>Step 1:</u> Record observation evidence with focus on Domains 2 & 3 <u>Step 2:</u> Print/sign/date using district approved forms/ platform	By March 15 th of Year 1, Year 2 or Year 3

<u>Calendar Adjustment:</u> Timelines may be impacted by adjustment of school calendar.			

Peer Observation

A peer observation is not required. The evaluator or evaluatee may choose for this to be a piece of evidence in the evaluation cycle. A peer observer will observe, collect, share evidence, and give feedback. Peer observations may be used as a source of evidence to inform a summative rating only if requested by the teacher/other professional being evaluated. Peer observers will be selected and agreed upon by consensus between the evaluator and evaluatee. As an alternative form of peer observation, the evaluatee may choose to observe a peer's class/site rather than being observed.

Peer Observation

Evaluatee Responsibility	<ul style="list-style-type: none"> • Evaluatee will come to consensus with evaluator on the selection of the peer observer from the available trained peer observers at the evaluatee's school. • Evaluatee will request a peer observer and notify the principal by February 15 of the summative year. • Evaluatee will request a pre-conference with peer observer if one is desired.
Peer Observer Caseload	<ul style="list-style-type: none"> • Recommendation is to limit to 2 peer observations, but this will be determined by evaluator, observer, and evaluatee.
Peer Observer Responsibility	<ul style="list-style-type: none"> • Be trained in peer observation techniques and responsibilities that includes training in effective observation and conferencing techniques and the roles and responsibilities of peer observers, evaluatees and certified school personnel. • Peer observers may decline the request and should inform the evaluatee and evaluator • Conduct a pre-conference, electronic or in person IF the evaluatee requests it

	<ul style="list-style-type: none"> • Conduct one mini observation for each designated peer with whom it has been agreed upon with the evaluatee and evaluator • Conduct a person-to-person post conference within 5 working days after the peer observation.

Summative Evaluation Rating

The Kentucky Framework for Teaching and the Kentucky Specialist Frameworks for Other Professionals stands as the critical rubric for providing educators and evaluators with concrete descriptions of practice associated with specific domains. The summative process concludes with the evaluator's analysis of evidence and the final assessment of practice in relation to performance measures of Planning, Environment, Instruction, and Professionalism for a summative rating. The Criteria for Determining Educator's Summative Rating are applied to determine an overall summative rating.

Criteria for Determining Educator's Summative Rating

If...	Then...
Environment <u>and</u> Instruction are rated <i>Ineffective</i>	summative rating shall be <i>Ineffective</i>
Environment <u>or</u> Instruction are rated <i>Ineffective</i>	summative rating is <i>Developing</i> or <i>Ineffective</i>
Planning <u>or</u> Professionalism is rated <i>Ineffective</i>	summative rating shall not be <i>Exemplary</i>
Two performance measures are rated <i>Developing</i> and two are rated <i>Accomplished</i>	summative rating shall be <i>Accomplished</i> only if Environment or Instruction is rated <i>Accomplished</i>
Two performance measures are rated <i>Developing</i> and two are rated <i>Exemplary</i>	summative rating shall be <i>Accomplished</i> only if Environment or Instruction is rated <i>Exemplary</i>
Two performance measures are rated <i>Accomplished</i> and two are rated <i>Exemplary</i>	summative rating shall be <i>Exemplary</i> only if Environment or Instruction is rated <i>Exemplary</i>

Principal Performance Standards, Measures and Ratings

The Principal Performance Standards are designed to support student achievement and professional best practice through the ten standards. The standards align with the Kentucky Framework for Personnel Evaluation Performance Measures as follows:

Performance Measure and Standards Alignment

Planning	Environment	Instruction	Professionalism
Standard 1: Mission, Vision and Core Values	Standard 3: Equity and Cultural Responsiveness	Standard 4: Curriculum, Instruction and Assessment	Standard 2: Ethics and Professional Norms

Included in the Principal Performance Measures are performance indicators that provide examples and the structure for feedback for continuous improvement through individual goals that target professional growth, thus supporting overall student achievement and school improvement. Evidence supporting a principal's professional practice will be situated within one or more of the 10 standards. Performance will be rated for each standard according to the four performance levels: Ineffective, Developing, Accomplished, and Exemplary. The summative rating will be a holistic representation of performance, combining data from multiple sources of evidence/documentation across each standard.

Evaluators *must* use the following categories of evidence in determining overall ratings:

- Professional Growth Planning with embedded Self-Reflection
- Evaluator Site visits (minimum of 2 per year)
- Working Conditions Goal

Evaluators *may* use the following categories of evidence in determining overall ratings:

- Products of Practice
- Surveys
- Other

Professional Growth Planning and Self-Reflection

Principals and assistant principals shall complete Professional Growth Planning and Self Reflection each year. The Professional Growth Plan will address realistic, focused and measurable professional goals. The plan will connect data from multiple sources, including site visit conferences, data on student growth and achievement, and professional growth needs identified through self-assessment and reflection.

Self-reflection & Professional Growth Plan

Activity	Timeline
Reflect using Performance Standards and Survey Results	By September 15 (data portion to be completed within 10 days after receiving state assessment data)

Timelines may be tentative if impacted by an adjustment of calendar and/or release of state assessment data. Late Hires – Complete Self-Reflection within 30 days and PGP within 45 days of employment.	

Site Visits

Site visits are a method by which the superintendent/designee gains insight into the principal's practice in relation to the standards. During a site visit, the superintendent will discuss various aspects of the job with the principal, and will use the principal's responses to determine issues to further explore with the faculty and staff. Additionally, the principal may explain the successes and trials the school community has experienced in relation to school improvement. These are not required for assistant principals.

Superintendent/Designee Site Visits

Activity	A minimum of 2 site visits shall occur annually, with one site visit scheduled with faculty and/or students present.
Location	School
Timeline	Visit #1 prior to December 31 for a minimum of 1 hour Visit #2 by April 15 for a minimum of 1 hour

The assistant principal inherits the Working Conditions Goal of the principal.

Working Conditions Goal

Timeline	Every 2 years
Working Conditions Goal	1 goal minimum after the completion of TELL Kentucky Survey
Process for Development of WCG Action Plan	<ul style="list-style-type: none"> Principal and superintendent/designee identify areas of greatest need of improvement based on the TELL questions to select the growth area that will have the greatest impact on school culture/student success Principal and superintendent/designee will identify Target Questions from TELL results Principal and superintendent/designee will connect the Target Questions to the appropriate Performance Standard for the WCG Goal Principal and superintendent/designee will write the WCG statement using SMART format and ensuring rigor to be accomplished in the 2 year cycle Principal and superintendent/designee will develop a WCG Action Plan with strategies, actions, resources, supports, and completion dates All decisions shall be determined in a collaborative process

Summative Evaluation Rating

Superintendents/Designees are responsible for determining an Overall Performance Category for each principal at the conclusion of the summative evaluation year. The Superintendent/Designee will determine the summative rating for principals. The principal will determine the summative rating for the assistant principal. The Evaluator will review documentation from site visits, observations, the Principal Performance Standards and the Criteria for Determining Principal's Summative Rating to determine an overall summative rating.

The summative conference will occur by May 15th. The evaluator will provide the administrator/coordinator with an electronic or hard copy of all evaluation documents. Employees shall have an opportunity to provide a written response to all evaluations which must be signed and dated by both parties and placed in the evaluatee's official personnel file at the district office.

District administrators who are not principals, assistant principals or the Superintendent shall be evaluated using this process.

Evaluation of District Administrators and Certified Coordinators

District certified personnel shall be evaluated annually utilizing the *Summative Evaluation Document for District Certified Administrators and Coordinators*. The Educational Leadership Policy Standards, also known as the ISSLC Standards, align with four performance measures to determine an overall performance rating. The four Performance Measures are:

- Planning
- Environment
- Instruction
- Professionalism

Included in these standards are performance indicators that provide examples of observable, tangible behaviors as evidence of each standard. Performance will be rated (Exemplary; Accomplished; Developing or Ineffective) for each standard according to four performance measures in combination with professional judgment to determine an overall performance rating.

Performance Measure and Standards Alignment

Planning	Environment	Instruction	Professionalism
Standard 3: Management	Standard 2: School Culture and Learning	Standard 1: Vision	Standard 5: Integrity, Fairness, Ethics
	Standard 4: Collaboration		
	Standard 6: Political, Economic, Legal		

Summative Evaluation Components

A summative conference shall occur annually at the end of the evaluation cycle to determine an overall summative rating for district administrators and other district certified personnel. The Superintendent/Designee will assign a primary evaluator within 30 days of the evaluatee's first work date of each school year. The primary evaluator is responsible for determining the Summative Performance Rating for the employee. The process will consist of a review of the evidence provided in relation to the Professional Growth Plan, job description and progression in the ISSLC Standards aligned with the four Performance Measures of: Planning, Environment, Instruction, and Professionalism to assign an overall summative rating.

The evaluator will use the Criteria for Determining a Summative Rating to determine the overall Summative Rating. Summative ratings shall be completed by May 15th. The evaluator will provide the administrator/coordinator with an electronic or hard copy of all evaluation documents. Employees shall have an opportunity to provide a written response to all evaluations which must be signed and dated by both parties and placed in the evaluatee's official personnel file at the district office.

(2) The appeal procedures shall be as follows:

Its jurisdiction shall be limited to procedural matters already addressed by the local appeals panel required by KRS 156.557(5) the panel shall not have jurisdiction relative to a complaint involving the professional judgmental conclusion of an evaluation, and the panel's review shall be limited to the record of proceedings at the local district level.

(b) No later than thirty (30) days after the final action or decision at the local district level, the certified employee may submit a written request to the chief state school officer for a review before the State Evaluation Appeals Panel. An appeal not filed in a timely manner shall not be considered. A specific description of the complaint and grounds for appeal shall be submitted with this request.

(d) A decision of the appeals panel shall be rendered within fifteen (15) working days after the review.

(e) A determination of noncompliance shall render the evaluation void, and the employee shall have the right to be reevaluated.

Appeals Panel

All members of the appeals panel shall be current employees of the district. Two (2) members of the panel are elected from and by the certified staff of the district. Each certified employee has the right to be nominated and to vote in the process. (Intern teachers are not fully certified until the end of the internship.) One (1) member of the panel and an alternate are appointed by the Board of Education. Reference: KRS 156.557 & KAR: 345. The Board appointee shall serve as chairperson of the appeal committee.

In the election of the appeals panel members, the persons receiving the first and second greatest number of votes shall be members of the appeals panel. The persons receiving the third and fourth greatest number votes shall be designated as alternates. Release time shall be provided for panel members at the discretion of the same. Funding for panel expenses will be provided from the general fund.

The length of the term for an appeals panel member shall be three (3) years. Panel members may be re-elected for the position. The panel members shall assume their responsibilities on September 1. Elections shall be conducted and appointments made during the month of August.

The election shall be conducted by the District Contact Person using the following criteria:

- Open Nomination

- Secret Ballot
- One person/one vote
- All certified employees given the opportunity to vote

Panel members may seek training through the District Contact Person.

Appeals Procedures

Certified employees who believe they have been unfairly evaluated may appeal a summative evaluation. The appeal shall be in writing on prescribed forms and directed to the chairperson of the Evaluation Appeals Panel. The appeal must be filed within five (5) working days from and after the date of the summative conference.

No member of the Evaluation Appeals Panel shall hear an appeal in which the member was either the evaluator or evaluatee. A Panel member shall not serve on an appeal in which either the evaluatee or evaluator is related by blood or marriage to the member.

The purpose of the appeal to the Evaluation Appeals Panel is to review the summative evaluation from which the certified employee appeals. The certified employee may appeal the substance of the evaluation, the evaluation procedure, or both, and shall so specify in the appeal.

The Evaluation appeals Panel shall convene a Preliminary Hearing within ten (10) working days from and after the receipt of the appeal. At least five (5) days in advance, the evaluator and the evaluatee shall be notified of the date, time and place of the Preliminary Hearing. At the Preliminary Hearing, the Panel shall receive and the parties shall exchange documentary information expected to be introduced at the hearing; and (b) the names and addresses of those persons expected to be called as witnesses at the hearing together with a short statement of the executed testimony of each witness.

The date, time and place of the hearing of the appeal shall be established at the Preliminary Hearing with a minimum of one (1) week to start actual hearing.

The evaluatee and the evaluator shall be present and have the right to presence of chosen representation.

The hearing shall be conducted in closed or executive session on request of the evaluatee.

The hearing will be audiotaped. A copy of the transcript of the hearing will be provided to either or both parties if requested in writing. The cost of the transcript shall be borne by the party making the request.

Only Panel members, the evaluatee and his/her witnesses, when testifying, legal counsel, and the person operating the audiotape recorder may be present during the hearing if the hearing is to be conducted in closed session. The Superintendent or his nominee may also be in attendance at the hearing even if held in closed session.

Witnesses may be presented but will be called into the hearing room one at a time and will not be allowed to observe the proceeding either before or after testifying.

The order of the hearing proceeding shall be as follows:

- a. Each party will be allowed to make an opening statement; the evaluatee first, then the evaluator.
- b. Each party will be allowed to present witnesses; the evaluatee will present witnesses first, then the evaluator.
- c. Witnesses may be called in any order desired by a party.
- d. Rebuttal testimony by the party having the burden of proof may be allowed at the discretion of the Panel.

- e. A witness may be cross examined by an opposing party or counsel for an opposing party, but such cross examination should be confined to the matters testified about by the witness on direct examination.
- f. The chairperson and members of the Panel may question the evaluatee, the evaluator and the witnesses called to testify at any stage in the proceedings.
- g. Each party will be permitted to make closing remarks; first the evaluator, then the evaluatee.
- h. The chairperson will make such closing remarks as are deemed appropriate.

Documentary evidence may be introduced by the parties and made a part of the hearing record. However, it shall be the responsibility of the parties or their respective counsel to point out to the Panel any particular item of documentary evidence which a party believes has special significance or supports or tends to support the claim or position of a party. The Panel shall rule on the admissibility of any documentary evidence offered. The Panel reserves the right to cause some or all of the documentary evidence tendered to the Panel by a party during the Preliminary Hearing to be made a part of the hearing record at the hearing, subject to a ruling by the Panel on any objection to such action.

The Panel may receive all relevant oral or written evidence without regard to the formal rules of evidence, but shall consider the weight of the evidence received in determining the issues. The hearing shall not be conducted according to technical rules relating to evidence and witnesses. Any evidence deemed relevant by the Panel may be admitted if it is the sort of evidence on which reasonable prudent persons rely in the conduct of their serious affairs regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objections in a civil action. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in and of itself to support a finding unless it would be admissible over objection in civil actions. Irrelevant, immaterial, incompetent, and unduly repetitious evidence may be excluded. Panel members may utilize their experience, technical competence and specialized knowledge and training in the evaluation of the evidence presented.

If objections are raised to the admissibility of evidence, the party objecting shall state the nature and grounds of the objection. The chairperson shall confer with the Panel members before announcing a ruling on the objection.

In reaching a decision, the Panel may take official notice of cognizable facts and of any generally accepted academic, technical or scientific data or matter. Parties present at the hearings shall be informed of the matters to be noticed, and those matters shall be noted in the record, referred to in the record, or appended to the record. A party shall be given a reasonable opportunity on request to refute the official noticed matters of evidence. The Panel shall determine the manner by which a party may refute the officially noticed matter.

The Panel will deliberate and issue its findings within fifteen (15) working days after the date of the hearing.

The written decision of the Panel will be presented to the evaluatee, evaluator and Superintendent for appropriate action.

All testimony shall be taken under oath.

The Panel shall be empowered to make all decisions and rule on all matters concerning the conduct of the hearing.

The chairperson shall maintain an orderly and proper decorum at the hearings.

The Panel may have a legal advisor to advise it on matters of law. However, the Panel shall exercise all other powers relating to the conduct of the hearings.

The legal advisor may remain with the Panel during its deliberations, but shall not engage in deliberations or in the discussion of the facts or the actual findings. The legal advisor may respond to questions regarding legal issues and may assist the Panel in the drafting of the decision.

Appeals Panel Decision Of The Evaluation

After having heard all the evidence the Appeals Panel shall make the following findings, which may be cumulative, to-wit:

1. If the appeal is on procedural grounds:
 - a. that the evidence supports a finding that the procedure was correct; or
 - b. that the evidence supports a finding that the procedure was incorrect;
2. If the appeal is from the substantive conclusions of the evaluator:
 - a. that the evidence supports the substantive conclusions of the evaluator in whole or in part; but
 - b. if the Panel believes that the evidence fails to support all the substantive conclusions for the evaluation which the Panel believes is not supported by the evidence.
3. That a new evaluation by a different certified evaluator is in order.
4. That the summative evaluation or a part of the summative evaluation be removed from the certified employee's personnel file.

The decision of the Appeals Panel shall be filed in the evaluatee's personnel file.

Assistance Plan or Corrective Action Plan

Process

If a certified employee is placed on an Assistance Plan or a Corrective Action Plan, the evaluator will provide assistance, resources, and opportunity for the employee to grow professionally and reach district standards. From time to time an employee may be unable to improve or choose not to improve performance. At that time the evaluator can choose to seek the help of a Corrective Action Team to work with the employee.

To develop a Corrective Action Team, the following procedures would be initiated:

- Evaluator conferences with employee and indicates the desire to form a Corrective Action Team.
- In collaboration with said employee, a team is mutually selected.
- Evaluator, employee, and team meet to discuss the assistance process.
- Each meeting of the team is documented in summary format with recommendations.

If the employee, in the judgment of the evaluator, makes progress, then the Corrective Action Plan is considered complete, and the summative conference occurs. The employee is then back on an enrichment plan or assistance plan as determined by the evaluator.

When there is no improvement in performance toward meeting the standard, even with the help of the Corrective Action Team, the evaluator must take the necessary steps toward cancellation of the contract.

The purpose of the Assistance Plan, Corrective Action Plan and Corrective Action Team is to provide the employee every possibility to attain district standards of performance. Any employee should understand that the request for an Assistance Plan, Corrective Action Plan and/or Corrective Action Team is an attempt by the evaluator to help the employee meet standards and avoid additional personnel action, including but not limited to, termination.

Instructions for Completing the Assistance Plan or Corrective Action Plan

This Plan is to be completed by the evaluator (with discussion and assistance from the evaluatee and assistance team) as it relates to an *Ineffective* or *Does Not Meet* rating on any one or more Domain/Characteristic/Standard from the summative evaluation *or* when an immediate change is required in practice or behavior.

The evaluatee, evaluator and/or assistance team must identify corrective action goals and objectives; procedures and activities designed to achieve the goals; and targeted dates for appraising the evaluatee's improvement of the standard. It is the evaluator's responsibility to document all actions taken to assist the evaluatee in improving his/her performance.

1. Development of Assistance Plan or Corrective Action Plan

- a. *Identify the specific domain/component/standard(s)* from the evaluation that has an *ineffective* or *does not meet* rating assigned.
- b. *Select the present performance level* that best reflects the evaluatee's level:
I = Ineffective; D = Developing; A = Accomplished; E = Exemplary
- c. *Growth objectives/desired outcomes* must address the specific domain/component/standard(s) rated as *ineffective* or *does not meet* listed in step A. The evaluatee and the evaluator work closely to correct the identified weakness(es).
- d. *Procedures and Activities* for Achieving Goal(s) and Objective(s)
Identify and design specific procedures and activities for the improvement of performance. Include support personnel, when appropriate.
- e. *Appraisal Method and Target Date*
List the specific target dates and appraisal methods used to determine improvement of performance. Exact documentation and recordkeeping of all actions must be provided to the evaluatee.

2. Evaluation of Progress

The evaluator and evaluatee will monitor the progress of the Assistance/Corrective plan and meet periodically to determine whether growth is being made. If, in the judgment of the evaluator, the employee makes progress, then the Assistance Plan/Corrective Action Plan is completed and the evaluatee is then back on an enrichment plan or assistance plan as determined by the evaluator. If, in the judgment of the evaluator, the evaluatee does not make progress, then a Corrective Action Team may be selected.

3. Corrective Action Team

If needed, the evaluator conferences with the employee and indicates the desire to bring in an assistance team. In collaboration with the employee, a team is mutually selected. The evaluator, employee, and team members meet to discuss the assistance process and develop the Corrective Action Plan following the steps listed above.

The Evaluation of Progress will follow the same format with the evaluatee, evaluator and Corrective Action Team meeting periodically.

If, in the judgment of the evaluator, the employee makes progress, then the Corrective Action Plan is completed and the evaluatee is then back on an enrichment plan or assistance plan as determined by the evaluator. When there is no improvement in performance toward meeting the standard even with the help of a Corrective Action Team, then the evaluator must take the necessary steps toward the termination of said employee.
