The initial MOA is effective from 08/01/2022 through 08/31/2024.

SECTION 1-ADMINISTRATIVE OVERVIEW

1.00-Purpose and Background

AmeriCorps State and National Grants are administered by AmeriCorps, a federal agency whose mission is to improve lives, strengthen communities, and foster civic participation through service and volunteering. AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteering. AmeriCorps members serve with organizations dedicated to the improvement of communities. AmeriCorps helps make service a cornerstone of our national culture.

The purpose of AmeriCorps State and National Grants awarded to eligible organizations is to engage AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a Segal AmeriCorps Education Award from the National Service Trust that members can use to pay for higher education expenses or apply to qualified student loans.

Serve Kentucky is the State Agency federally mandated to fulfill the obligations and services under Catalog of Federal Domestic Assistance (CFDA) numbers 94.006 from the AmeriCorps federal agency. The Commonwealth of Kentucky has established Serve Kentucky to administer these programs.

SECTION 2-SCOPE OF SERVICES

2.00-Services Required

The Second Party shall receive federal financial assistance to recruit, train, and supervise AmeriCorps members meeting critical community needs in the areas of education, disaster services, health, environmental stewardship, economic opportunity, and service to veterans and military families. The grant application on file with AmeriCorps, including any amendments, specifies the program design and size, including service activities for a team of members serving full- or reduced-time for one year or during the summer. The federal awarding agency issues a separate grant identifying number for each subgrantee. The Second Party shall operate the AmeriCorps program in accordance with Second Party's approved application for federal financial assistance.

In accordance with the requirements of AmeriCorps, the federal funding agency, and as a requirement to receive funding through this agreement, the Second Party shall adhere to the following:

1. Provide training on prohibited service activities in the pre-service training for members and their site supervisors. Each member and site supervisor shall sign a written statement acknowledging they have read and understand their duties and the activities in which they cannot participate. The Program agrees to display the Prohibited Activity poster, provided by Serve Kentucky at all host site locations. The Program staff shall also review member's monthly activity report and journal entries to further ensure compliance.
2. Recruit members at the national level, using the online recruitment system provided by AmeriCorps. Members may be recruited at the state or local level through program or host site applications. Some members may be recruited through Kentucky post-secondary institutions from social work, teaching or other applicable college degree programs.
3. Recruit members who are a minimum of 17 years of age, have a high school diploma, GED equivalent, or who will obtain a diploma or equivalent prior to use of the education award and have successfully completed an intensive interview process.
4. Provide members with pre-service orientation before they report to their respective service sites. Programs should provide ongoing member training opportunities to ensure members have the requisite tools to successfully complete service and be prepared for life after AmeriCorps.
5. Ensure AmeriCorps branding requirements are followed:
 - a. Logo: Prominently display the standard AmeriCorps logo on websites, most notably on the home page and "About Us" sections. The logo is a registered service mark of AmeriCorps.
 - b. Language: Use standardized language to describe the program in press releases, public documents, and all speaking events to identify the organization's AmeriCorps affiliation.
 - c. Gear: Include the appropriate AmeriCorps logo on all gear for AmeriCorps-funded programs. Issue the AmeriCorps service gear to all members, who shall then be

	Document Description	Page 6
2200003019	SUBRECIPIENT - AmeriCorps C4047	

required to identify themselves as an AmeriCorps member, at all service times, to increase national identification and awareness.

d. Sites: Display signs or posters that feature the AmeriCorps logo at all sites where AmeriCorps members are serving, especially those to which elected officials or private-sector partners are invited to visit.

e. Public Materials: Subgrantees shall use the AmeriCorps name and logo on public materials such as stationery, application forms, recruitment brochures, online position postings, orientation materials, member curriculum materials, signs, banners, press releases, and publications related to their AmeriCorps program in accordance with AmeriCorps requirements.

Direct Link to federal brand Guidelines:

https://americorps.gov/sites/default/files/document/2020_AmeriCorps_Brand_Guidelines_for_Grantees_508%20%286%29.pdf

f. Refer to the 2022 and 2023 (as applicable) AmeriCorps State Terms and Conditions-Specific and Terms and Conditions-General and utilize the AmeriCorps Branding Guide available on the AmeriCorps website or from Serve Kentucky.

6. Provide all site supervisors with an intensive training, prior to AmeriCorps member recruitment and placement. All programs should provide regular check-ins via site visits, phone calls, virtual meetings, etc. to revisit prohibited activities and program expectations. Topics at such training events or check-ins shall include; supervisor roles and responsibilities; reporting requirements; match and recording systems; prohibited activities (as defined by AmeriCorps); and development of goals, objectives and a sustainability plan.

7. Ensure the service site coordinator or program staff completes a written member mid-year evaluation (detailing required number of hours, assignments, etc.) for full-time, three-quarter time and half time members who serve for 10 months or more per service year. Additionally, all members regardless of service term or slot type must have an End of Year Evaluation completed by program staff and or site supervisors.

8. Ensure that the service site coordinators and the Program staff approve all member timesheets for allowable and prohibited activities and monthly travel logs.

9. Ensure that service sites assume the lead role in recruitment and selection of members; attend all mandatory trainings and conference calls; direct supervision of members; coordinate local in-service training opportunities; monitor the progress toward members goals and objectives; cooperate with the evaluation process by completing, distributing and collecting evaluation forms; and maintain accurate in-kind match records.

10. Ensure that service sites submit a report of any in-kind match. Service sites may provide supervision, office space, office supplies, technology, mileage and some program support as in-kind match. Other sources of match may include training and technical assistance to members and site supervisors and similar non-federal resources provided free of charge to the subrecipient. Notwithstanding anything to the contrary herein, any such match shall comply with all provisions of the AmeriCorps Grant, the subrecipient's

SUBRECIPIENT - AmeriCorps C4047

federally approved plan, and/or the policies and procedures of the AmeriCorps in order to qualify as match.

11. Provide the required match as outlined in the federally approved grant application. Second Party shall be fully liable for federal refund of any match deficiencies identified in audit. Audit disallowances such as insufficient match or inappropriate expenditures shall be remitted to Serve Kentucky. Serve Kentucky may utilize a manual hold of program reimbursement to ensure receipt of disallowed costs. The cost sharing or matching contributions shall meet all of the following criteria:

- a. Are verifiable from the Second Party's records;
- b. Are not included as match contributions for any other Federal award;
- c. Are necessary and reasonable for accomplishment of project or program objectives;

- f. Conform to other provisions of 2 CFR 200, as applicable.

12. Comply with the National Service Criminal History Check (NSCHC) requirements. Under the Serve America Act (SAA), all subrecipients must conduct National Service Criminal History checks on participants and program employees in AmeriCorps, AmeriCorps Seniors and any other programs funded by AmeriCorps under National Service laws. All employees, participants, and others who receive a salary (paid or in-kind), national service education award, living allowance, or stipend under AmeriCorps grants, even if the activities don't involve service with vulnerable populations, must complete the checks prior to beginning employment or service. A satisfactory criminal history check must be completed prior to the issuance of payment for salary or living allowance within the program. Documentation as outlined within AmeriCorps and Kentucky AmeriCorps Program Director Guidance shall be maintained in the member's file and made available upon request by Serve Kentucky. Designated staff members must complete NSCHC online training at least annually. Should the subrecipient be determined to be non-compliant under the NSCHC Enforcement Guide issued by AmeriCorps, subrecipient shall immediately remit the amount of the identified disallowance to Serve Kentucky. Serve Kentucky may utilize a manual hold of program reimbursement to ensure receipt of disallowed costs.

13. 14. Obtain written permission from the Cabinet prior to the reproduction and/or distribution of any videos and/or any materials developed under this agreement, as these are considered the property of the Cabinet.

15. Programs shall utilize the member file checklist or from the official monitoring tool provided by Serve Kentucky and ensure that, at a minimum, the applicable documentation is apparent in each member's file.

16. Ensure that member's service hours are earned according to the schedule agreed upon, by the site, program and member. Members may not earn paid leave. If the member wants sick, holiday, vacation or personal leave, it is unpaid time off and any hours missed during said leave must be earned made up at a later date. Members must have detailed daily time logs of service and in accordance with the following:

a. Members cannot receive hours for providing any service to family members.

b. Service hours shall align with the approved grant activities including member development activities. Programs are required to have an AmeriCorps-compliant member management and reporting system, such as America Learns' AmeriCorps Impact Suite or OnCorps Reports. Any other systems must be approved by Serve Kentucky in advance.

c. Except for pre-approved site closures and program policy, members must serve a minimum number of hours per living allowance period, as determined by the program and approved by Serve Kentucky. Members can have no zero-hour living allowance periods and still earn the living allowance.

d. Teleservice activity hours are those that produce a tangible product and receive prior written supervisory approval for each instance of teleservice, whether for planned or unplanned site closure or other teleservice necessity. Teleservice may not exceed 5% of a member's total service hours. Teleservice may only be utilized if the program has a policy allowing teleservice activity (See Serve Kentucky AmeriCorps Program Director Guidance).
