2. Services Provider will not contact the individuals included in the data sets without obtaining advance written authorization from JCPS.
3. Services Provider shall not re-disclose any individual-level data with or without identifying information to any other requesting individuals, agencies, or organizations without prior written authorization by JCPS.

3. Services Provider shall not release or otherwise reveal, directly or indirectly, the Confidential Data to any individual, agency, entity, or third party not included in this Agreement, unless such disclosure is required by law or court order. If Services

If a protective order or other remedy is not obtained prior to the deadline by which any legally compelled disclosure is required, Services Provider will only disclose that portion of confidential and otherwise personally identifiable data that Services Provider is legally required to disclose.
