Dear Dot,

I am writing to you today to officially tender my resignation from Gallatin County Schools effective Wednesday, June 30th 2010.

I never thought I would ever leave such a great place as Gallatin County, but when the opportunity arose to work from home, which as you know has always been a lifelong dream for me, I simply had to take advantage of it.

I cannot say enough wonderful things about Gallatin County Schools, about all the people I've encountered in my years of service with the districts, and especially about you and all the others involved. Your leadership has taken us all to new levels, and I have appreciated all your personal and professional advice over the years. It's my hope that we will stay in touch as I begin this new chapter in my life.

If you have any questions, please feel free to ask. Thanks again for everything.

Sincerely,

A handwritten signature in blue ink that reads "Bradley W. Gray". The signature is written in a cursive, flowing style.
