

**Amendment to 2021-2022 Memorandum of Agreement
between
Elizabethtown Independent School District
and
LaRue County School District**

Pursuant to paragraph 19 of the 2021-2022 Memorandum of Agreement between Elizabethtown Independent School District and LaRue County School District (the "Agreement"), the parties hereby mutually agree to modify said Agreement as follows:

There is hereby added a new paragraph 10.2 to read in its entirety as follows:

10.2) Current master schedule setup in the statewide student information system does not allow funds to "follow the student" to the school providing the instructional services. Given the provision for supplemental Local Area Vocational Education Center ("LAVEC") funding for all Career & Technical Education ("CTE") local programs beginning with the 2022-2023 school year, the districts will consult with Kentucky Department of Education staff to determine the LAVEC funds for all local programs generated by CTE enrollment for visiting students. The difference may be billed to the district receiving the greater allocation. Should there be a change in the master schedule set-up to allow funds to "follow the student", this provision will no longer apply.

That all remaining provisions contained within the existing Agreement shall remain in full force and effect.

IN WITNESS THEREOF, the parties by their authorized representatives have executed this Amendment to 2021-2022 Memorandum of Agreement between Elizabethtown Independent School District and LaRue County School District on the dates set forth below.
