PROFESSIONAL DEVELOPMENT

- Content PLC's and grade levels of teachers have been coming/will be coming in for curriculum work this summer. HS Business has come in already. All other groups are scheduled to come in July. The focus of these curriculum days this year are:
 - LES – Reviewing the Scope and Sequence of the new Amplify Reading Series.
 - DHS – Building students background knowledge through the use of vocabulary. Also, teaching the six steps process for teaching vocabulary; intentionally looking at what vocabulary is taught at each grade level and within each content, determining where vocabulary will be taught throughout the school year.
- We are in the midst of planning the professional learning days prior to school. LES will use one of those days on August 2 to begin the work with the Reading League.

ASSESSMENT

- We will begin planning the assessment calendars for the upcoming school year.
- We are once again participating in the District ACT this year. Juniors and Seniors can take the ACT in October and Sophomores and Seniors can take the ACT in March. This year the District ACT will be online.

REPORTS

- The Gifted/Talented Report has been completed and submitted, thanks to the help of Mr. Long, Mrs. Willig, and Mr. Mobarrry.
- The ESS Report has been submitted to KDE.
- The District Funding Assurances are attached. These have to be approved and submitted to KDE for the district to get their FY23 funds.
